**“Once a Wesleyan,
always a Wesleyan”**

Wesley College was established in 1844. It is New Zealand's oldest registered school. Wesley College was the first Private School to integrate in the State Education system under the terms of the Private Schools Conditional Integration Act 1975. The Integration Agreement was signed in 1976.

Under the terms of the Agreement:

- The School is governed by the Wesley College Board of Trustees and operates like any New Zealand State School;
- The Proprietor's [Trust Board] hostel was not integrated and remains a private boarding establishment;
- Wesley College has a Special Character, based on a relationship with the Methodist Church of New Zealand – Te Haahi Weteriana o Aotearoa; and the special character includes religious observances.

In general terms, the Special Character says

- We are Christian
(by profession)
- We are Methodist
(in ethos and practice)
- We are Accepted
(regardless of culture/ethnicity/age/denomination)
- We are called to be and to do....
(take personal responsibility for ourselves and the welfare of others)
- We belong (to God's family)
