

Index 2016

The Conference Reports are separated into sections. Each section is separated by a divider page and has been given a letter, as well as page numbers. The letter relates to the Committee/Board which handles the business within that section. All reports to be considered by that Committee/Board will be found within that section e.g. Council of Conference has been given Section A: and the Council of Conference Report is numbered A-1, the Council of Conference Budget Report is numbered A-4. (To see which Section relates to a particular Committee/Board refer below or turn to page 5, at the front of the reports section).

The Sections for Nominations, etc, have divider pages to separate them, however these have also been given a section letter and number e.g. you will find Nominations for President and Vice President under K-..., Tributes under L-..., Records of Service under-M..., Statistics under N..., etc.
