**St John**  
Here for Life

**With St John you're not just getting an AED Unit, but an AED package. This package includes;**

- ✓ For those based in Auckland - A FREE 15 – 20 minute AED training demonstration
- ✓ AED Unit, with your first set of pads and battery already installed (no servicing required for 2 years)
- ✓ Your AED automatically on our maintenance programme (no ongoing service contract needed)
- ✓ AED Signage and instruction manual
- ✓ A semi ridged water resistant carry-case
- ✓ A DVD on how to deploy your AED by listening to the voice prompts
  - This DVD then makes up part of your new staff health & safety induction
- ✓ A patient pre-kit which includes; shear scissors, body-wipes, and face shield
- ✓ A free 'Learn CPR training kit' to practice your CPR skills
- ✓ A CPR/AED tutorial app (free to download from the St John website)
- ✓ When you ring 111 a St John Ambulance will respond.
  - Purchase our AED means you are helping fund the St John Ambulance that responds to your 111 call.

For a free quote please email: Laura Risbrook: [laura.risbrook@stjohn.org.nz](mailto:laura.risbrook@stjohn.org.nz),

Laura will need your street address to provide your quote and will log your registration of interest.

To see just how easy the St John AED Unit is to deploy, here is a 3 minute clip demonstrating the HS1 AED Unit: <https://www.youtube.com/watch?v=S8O1vWQKwpM>

*If you already have an AED Unit on site please register it with the 111 Emergency Call Centre (this is not a public listing)*
