

Dear Glenys and Mission Resourcing Team,

On behalf of our superintendent and Sunday school teachers of Henderson Tongan Methodist church it is with humility and appreciation for the \$600 grant that you provided that allowed us to have a printer in our office has been a huge blessing for our Sunday school and the whole church immediately.

Please find attached pictures of our new printer that has been blessed on Sunday, 2nd Dec 2018 along with our Superintendent Rev. Tevita Finau and few Sunday school teachers of Vai-'o e-Mo'ui, Henderson Tongan Methodist church.

This opportunity has provided me and the rest of our Sunday school teachers the ability to achieve further independence.

Thank you very much.

Sincerely yours,

Lata Vehikite
(Sunday School Leader of Henderson Tongan Methodist church)
