

South Pacific Area Seminar Samoa - NZMWF, SPA and World Federation Leaders

A WORD FROM THE PRESIDENT

Malo e lelei, warm Pacific greetings and welcome to our September newsletter.

We've been keeping busy with some exciting developments and meaningful engagements across our districts.

In the past month, we had the pleasure of visiting the Waikato/Thames District and Auckland Central Districts, where we connected with local communities and leaders. These visits allowed us to witness firsthand the incredible work being done in our regions.

A major highlight was attending the South Pacific Seminar, with 74 delegates from the NZMWF proudly representing us. It was a wonderful opportunity for fellowship and learning.

We especially want to congratulate Lynne Vatau, who was nominated as our young leader to attend the Young Women's Leadership Programme - a true testament to her dedication and passion.

We also want to acknowledge and celebrate our very own South Pacific Area (SPA) leaders from NZMWF: Olive Tanieli, Vaiollupe Moala, and Ruta Faafuata. Their leadership continues to inspire us all.

Looking ahead, we are excited to host our upcoming Council next month, where we will be overseeing important business for this term and setting plans in motion for the future.

Lastly, we are thrilled to officially announce that we will be hosting the next Women's Fellowship World Assembly right here in Auckland in 2026! Our Vice President will be the convenor of the Local Arrangements Group, and we can't wait to see what this significant event will bring.

Thank you for being part of this journey with us. Stay connected and engaged as we look forward to a bright and impactful season of NZMWF ahead!

Many blessings
Lesieli Tiulipe Pope
NZMWF President 2023-2025
