

# A firm foundation

## Equipment Required

Jenga style, or plain wooden blocks
Marker pens
Stickers (optional)

## THEME

Like a solid building, faith must be built on a solid foundation. If not, when storms come, enemies approach or the ground beneath shakes, the building will collapse and people perish. It is important for us build our faith on a firm, unshakable foundation.

## READ

1 Corinthians 3.11

## ACTIVITY

Artistically decorate a block with things that are needed to have a firm foundation in faith. You may use words, pictures, or patterns that you feel suit. The more creative the better. Once you've done this, add to the building symbolising a firm foundation.
