M&M Prayer guide

GREEN – Pray for the Church in New Zealand. Pray that we would all continue to walk together, as one body, and with one heart - for seeing people commit to an enduring journey of faith in Christ.

YELLOW – Pray for your local church. That God would continue to empower the local church as a symbol of hope in our communities. Pray all members, that they would be given the support, prayer and encouragement needed to be effective in their Christian journey.

BLUE – Pray for those who we have yet to reach. That in Gods time we would have the chance to spread the good news into new found territories and areas. That our work would reach people searching to fill a void we have come to know only Christ can fill.

RED – Pray for the oppressed and marginalised children, in our land and abroad. For children who are unwilling victims of poverty, war and injustice. For families without homes or adequate living conditions that we often take for granted. That we would strive for Christ-like love, and faith inspired action.

ORANGE – Pray for your youth leaders/people who have had a great impact on your faith thus far.

BROWN – Pray for yourself. Your friends, family and anything else you wish to bring into Gods presence.
