QUESTION XI.—What Ministers or Probationers have Died since the last Conference?

> Harry B. Redstone John J. Pendray J. Newman Buttle William S. Bowie

HARRY B. REDSTONE.—The late Rev. H. B. Redstone was born in Tavistock, Devonshire, England on November 4th, 1836. He commenced to preach in 1858, and continued to preach as a local preacher till 1862, when he was received into the ministry of the United Methodist Free Church. In 1870 he arrived in Auckland, and he laboured for twenty-six years in various parts of the Dominion. He became a Supernumerary at the time of union between the Wesleyan, United ary at the time of union between the Wesleyan, United Methodist and Bible Christian Churches, and during his eighteen years of superannuation, he did almost the full work of a Minister in active service. His last public service was conducted at Webb Street Methodist Church, Wellington, September 27th, 1913. He was a most acceptable preacher, intensely evangelical, whose great delight was to bring sinners to the Saviour of men, and help them to walk in God's holy ways. He was an indefatigable pastor, whose loving sympathy and kind attentions won hosts of friends, outside, as well as inside, the Church. He bore an unimpeachable character and a good name, was gentle and continued to the control of the character and a good name, was gentle and control of the character and a good name, was gentle and control of the character and a good name, was gentle and control of the character and a good name. impeachable character and a good name, was gentle and conciliatory in disposition, yet in matters of principle, as firm as a rock. In his family life he was supremely happy—a model husband and a loving father. He passed away suddenly on Sunday, September 20th, 1914. Truly he was "a workman that needeth not to be ashamed."

John J. Pendray passed away to his eternal rest. He was one of the band of Free Methodist Ministers who joined the United Church in 1896. Previous to this, he had been twenty-four years in the ministry, and had occupied some of its most important and honoured positions; being Chairman of the District Meeting in 1895. He was pre-eminently qualified to be a pioneer Minister, and he rendered exceptional services in many of our widely scattered Circuits. He was physically strong, and he did not spare himself in the least. In many Circuits he left behind him worthy memorials of his faithful work, and his memory is gratefully treasured by many who benefited from his faithful and self-denying labours. To the interests of young people he was particularly attentive. When he retired, after forty-two years of active ministration, he carried with him the unfeigned respect and admiration of his brethren.

Joseph Newman Buttle entered the ministry in 1878, and passed into the eternal rest on December 23rd, 1914, after thirty-six years of earnest service. His father was also an honoured Minister of the Church. The name of Buttle is honoured throughout Methodism, and in the highest sense that honour was maintained by our departed brother. He was noted for brotherliness. In all things he was steadfast and reliable, thorough in his loyalty and above reproach. As a pastor he was constant in his tender regard for old and young. His visits to the homes of the people were

much valued. In respect of the Divine revelation he had a broad and reverent mind, and had great faith in the Gospel as the power of God unto salvation. For many years he was Conference Secretary for Foreign Missions, and had the great joy of seeing that fund rise steadily year by year. He was a good man, and by the Church he so loyally served, his memory is gladly cherished.

William S. Bowie came from Victoria to New Zealand in 1894. After a few months of Home Mission work he was accepted for theological training, and having spent a year in our theological institution, began regular Circuit ministry. He proved himself one of the most devoted and loyal Ministers our Church has known. Painstaking in pulpit preparation, methodical in all matters of administration, and diligent in pastoral care, he rendered splendid service in all his Circuits. His personal winsomeness and ministerial diligence were the more remarkable in view of the fact that he was seldom free from painful illness. Through all, his courage never faltered. His earthly ministry has closed early, but the influence of such a nobly heroic devotion cannot be measured by years. His decease in Victoria, during what all hoped would be but a temporary superannuation, has left an abiding sense of bereavement

### QUESTION XII.—What Ministers Continue to be Supernumeraries?

- 1. William Kirk John Dumbell William Gittos William Cannell John Smith William Lee John S. Rishworth Robert Taylor William C. Oliver Henry Bull David McNicoll Joseph S. Smalley William H. Beck Francis W. Isitt Charles E. Ward William J. Williams Henry R. Dewsbury James Thomas John D. Jory Samuel J. Garlick Cornelius Griffin Peter W. Jones Thomas Fee Hamiora Kingi (Native Supernumerary)
- 2. Joseph Blight (for another year)
  Thomas W. Newbold (for another year)

### QUESTION XIII.—What Ministers now Become Supernumeraries?

- George Bond Thomas G. Carr Joseph Sharp Charles H. Standage Joseph J. Mather
- 2. John Nixon (a former Minister of the Primitive Methodist Church)
- Henry R. Dewsbury entered the ministry of the Church in 1871, after spending some time as a student under the able tuition of the Rev. A. Reid. In effective speech and pulpit ability he had few equals. He took a deep and practical interest in the well-being of young men, several of whom he helped in their preparation for the work of the ministry. He was called to occupy the most responsible positions in the Church, having been elected to the offices of Secretary and President of the Conference, and was appointed to the most important Circuits in the Dominion. His health failed some years ago, when he became a Supernumerary for a year. This had to be repeated, and he is now placed on the permanent list, with the prayer that God may abundantly bless him in his retirement.
- George Bond arrived in New Zealand from Richmond College, London, in 1873, and his uninterrupted service of the Church amounts to forty-four years. As a preacher whose lot has been east in a period of disturbing Biblical criticism, he has combined a spirit of welcome to new phases of truth with an unswerving loyalty to the proclamation of a free, present and full salvation in our Lord Jesus Christ. He has taken his full share of Connexional responsibility, and has long been one of the best known representatives in our Annual Conferences, and in the General Conference. In the chief courts of the Church's legislature and administration, as well as in all Circuit work, his sound judgment, wholesome humour, and unvarying courtesy have made him a most valued and welcome personality. Not unfamiliar himself with affliction, he has known how to succour the afflicted; and his cheery, buoyant spirit, maintained even when passing through deep waters, has been a benediction to his family and his Church. He has been honoured as President of the Conference, and, for seventeen years, as Chairman of District. We pray that he may long be spared to bless the Church and the community.
- Thomas G. Carr becomes a Supernumerary after forty-four years of devoted service. His work has been marked by unswerving fidelity and invincible zeal. As a preacher, pastor and administrator he has earned a good degree. His qualities of mind and heart have won for him the love and esteem of his brethren, while his sympathetic and generous disposition has gained for him an abiding place in the hearts of the people amongst whom he has laboured. The Church wishes him an eventide rich in blessing.
- JOSEPH SHARP has spent forty-four years in the active ministry, two of which were spent in the Old Land. His whole ministry, to the time of Methodist Union, was spent in the

Primitive Methodist Church, which bestowed upon him its highest honours. He has been a diligent Circuit pastor, doing his work with credit to himself and honour to the Church. His sense of humour and his cheerful disposition have combined to make him always welcome in the homes of the people, and on the public platform. He retires with the cordial goodwill of his brethren, who wish him a long eventide of peace and blessing, and earnestly pray that his sun may set in a clear sky.

Charles H. Standage retires from the active work of the ministry after forty years of most devoted and efficient service. His work began in Tasmania under the auspices of the Victoria-Tasmania Conference, where he spent the first four years of his ministerial life. He was transferred to New Zealand thirty-six years ago, and he has sustained an unbroken record as a successful Circuit Minister. He has been preeminently a pastor, and in that capacity he has won the hearts of the whole of the people amongst whom he has laboured. In his work in his Circuits, in his fellowship with his brethren, and on the floor of the Conference, his words have always been those of the kindly Christian gentleman. Parsonage life in all his Circuits has been ideal, and in retiring from the active work of the ministry he carries with him the love of the whole Church.

Cornelius Griffin retires from the active ministry after thirtyeight years of loyal service. As a preacher, he has enjoyed the
gift of unconventional utterance, and has set forth his great
commission in a way to command attention. It is, however,
as an administrator that he will be best remembered. These
things required of him clear insight, sound judgment,
strong purpose and much sacrifice, and in none of them has he
been found wanting. Even under the shadow of sorrow he
has worked bravely. At the eventide of life his brethren
commend him to the God of all grace, trusting he may enjoy
the rest he has so well earned.

Joseph J. Mather, after thirty-two years' service, becomes a Supernumerary through a serious breakdown in health. In granting the application the Conference records its appreciation of the conscientious, zealous and faithful work accomplished by Mr. Mather in some of the difficult Circuits of the Dominion. His whole-hearted devotion to duty has resulted in a comparatively early retirement from the active work. We pray that God's richest blessing may remain with him, and that he may be able, for many years, although out of the active work, to render service to the Church whose welfare he has so much at heart.

## QUESTION XXIX.—What are the Resolutions of the Conference on the Welfare of the Church?

For Statistical Returns see Appendix pp. lv.-lxvi.

#### A .- REPORT OF THE WELFARE OF THE CHURCH COMMITTEE.

Correspondence has taken place with a view to the Rev Val Trigge paying a return visit to the Dominion and conducting a series of evangelistic services. We regret that this has been found impossible owing to the many requests for his services in Australia.

The Superintendent Ministers of the North Canterbury Circuits were communicated with, and suggestions were made that special evangelistic meetings be held within the district. The Conveners of the District Advisory Committees were requested to consider the advisability of holding evangelistic services in their respective districts. In response thereto such services have been held in various parts of the Dominion, and some with a considerable measure of success.

The importance and value of Class Meetings have been discussed, and the Committee is of the opinion that an effort should be made to revive the institution which in the past has been such a power for good in Methodism.

During the year the committee has prepared and issued a new and attractive ticket for full membership of the Church. We believe the ticket will be valued by those joining the Church.

Though there have not been in the Dominion any special missions conducted by visiting evangelists, there have been visible signs of spiritual progress. There have been more than the usual influences at work to hinder the spiritual work of the Church—the excitement of a general election, the strenuous work of the prohibition campaign in which the Methodist Ministers have done their part and been in the front rank of leaders. Then for the last five months of the year the minds of the people have been distracted by the horrors of the greatest war in history. As yet there has not been that general turning to God in New Zealand, which we have rejoiced to hear has been the case in many parts of England. We believe that that time is coming.

Yet we are glad to note that there is an increase of 13 Sunday Schools, 75 teachers, 382 scholars, and 105 Bible Class Members. There has also been an increase of 513 junior members of the Church, and an increase of 450 in the number of senior members on the roll. For this measure of success we thank God and take courage.

We request that Conference instruct the Secretaries of each District Synod to forward a copy of the statistical returns to the Convener of the Welfare of the Church Committee not later than December 10.

In accordance with Conference instruction enquiries have been made re the discrepancy between the members of the former Primitive Methodist Church, reported in the census returns, and these accounted for in the church records, but no definite information has been secured.

> W. A. SINCLAIR, Chairman.

Christchurch, January 14, 1915. J. COCKER, Convener.

#### RESOLUTIONS.

- 1. That the Conference, having heard the report of the Committee on the welfare of the Church, and having given earnest consideration to the same, hereby resolves: (1) To give devout thanks to God for the measure of success which He has been pleased to give to the Church during the past year, as shown by the increase in number of Church members, Sunday-school scholars, and adherents. (2) To give an unreserved response to the call which God is so manifestly making upon us at the present time to cultivate a rich spiritual life, with clearer vision of spiritual things, and a deeper interest in all that tends to promote the interests of Christ's Kingdom on earth. (3) To put forth increased efforts to foster the religious life and character of the children and young people in our families and congregations, so that they may be won and kept for Christ and the Church. (4) To do our utmost to promote a revival of true religion in every Circuit, and to this end requests all our Ministers and office-bearers to unite in organising a "Go to Church Movement" on a suitable Sunday during the year, as well as to carry on every legitimate form of a vigorous local evangelism, in order to rouse the careless and restore the wanderer to the fold of Christ.
- 2. That the thanks of the Conference be given to the Committee for their services during the past year.
- 3. That the following be the Welfare of the Church Committee for the ensuing year:—All the Ministers of the Dunedin and Suburban Circuits, Messrs E. Rosevear, D. C. Cameron, W. M. Roberts, J. P. Simon, H. Sewell, J. B. Shacklock, T. Winton, C. White, E. W. Isbister and H. D. Bedford, M.A., LL.M. Rev. S. Griffith, Convener.
- 4. That in each District a District Evangelistic Committee be set up to co-operate with the Welfare of the Church Committee, and with Circuits and Home Mission Stations in arranging for periodical Evangelistic Missions, and in fostering by all possible means an earnest evangelism throughout the Dominion.
- 5. That the Home Mission District Advisory Committees (other than in Otago) be the District Committees for the ensuing year.
- 6. That the offer of the Rev. W. Val. Trigge to conduct Evangelistic Services in the Dominion in 1916 be heartily accepted, and that the Welfare of the Church Committee be empowered to make the necessary arrangements, both financial and otherwise.
- 7. That the President be requested to prepare an inspirational address to the members and adherents of the Church, and publish the same in the Connexional paper.

287. Regular meetings of the Local Sunday-school and Young People's Committee shall be held and reports given quarterly from the various departments and societies. The Superintendent Minister shall be Chairman of all meetings of the Committee, but if unable to attend, he shall appoint one of his colleagues to preside in his stead. Whenever possible, I will attend the meetings of the Guild, especially those of a devotional character, and fulfil, to the best of my ability my duties as a member of the Christian Church."
- 5. Companion Pledge.—"I promise to attend the meetings as regularly as possible, to cultivate the friendly spirit of the Guild, to assist where I can, and to refrain from doing anything that would bring discredit upon the Church."
- Officers.—The officers shall consist of the President (the Minister of the Church), Vice-Presidents (one for each department of the Guild's work, who shall be members of the Church), Secretary, and Treasurer.

- 12. That the Conference regrets that our Sunday-schools are slow to adopt the graded system of organisation and the International Graded Lessons, and in view of the soundness of the principle, it strongly urges the Schools to make at least a beginning by organising the Primary and Junior Departments with graded lessons.
- That Ministers and Leaders' Meetings be earnestly requested to give complete effect, as early as possible, to the Conference legislation relating to Infant and Junior Members. (See Minutes, 1914, pp. 51-52.)

- 19. That the Statistical Secretaries forward their returns, together with a report on the state of the schools within their respective Districts, immediately after the Synods, to the Secretary of the Connexional Board, who shall prepare a Sunday-school Report of the whole Dominion to be laid before the Annual Conference.
- 20. That Young People's Day be observed on the third Sunday in May, and that the third Sunday in October be observed as the Universal Day of Prayer for Sunday-schools. On Young People's Day, throughout the Circuits, special services shall be held for the young, with a view to leading them to decision for Christ; and that, as far as practicable, the Chairmen of Districts and Superintendents of Circuits so arrange Mission deputations and Anniversary Services as not to interfere with the Sunday so appointed; also, that more general use be made of the Order of Service issued by the Connexional Board.

# QUESTION XXXI.—What are the resolutions of the Conference with regard to Temperance and Public Morals?

The Report of the Committee was received.

#### RESOLUTIONS.

- 1. Gambling.—(a) That this Conference views with grave concern the alarming increase of gambling in the Dominion, and expresses its strong disapproval of the action of the late Parliament in deliberately increasing gaming facilities. Every member and adherent of our Church is urged to discountenance all forms of gambling and to use all legitimate influence for the abolition of the totalisator, the continued legalisation of which we regard as unworthy of a Christian country.
  - (b) That, in the interests of public morality, this Conference strongly protests against the granting by the Government of permits for any form of gambling in connection with efforts made to assist Patriotic or Relief Funds; and, that a copy of this Resolution be forwarded to the Hon H. D. Bell, Minister for Internal Affairs.
- 2. Sabbath Observance.—(a) That, in view of the widespread desecration of the Sabbath, this Conference requests Ministers, Local Preachers, Sunday-school teachers, and members generally to emphasise the necessity of a clearer recognition of the sanctity of the day, and the importance of employing its hours for spiritual purposes; (b) that this Conference views with increasing concern the fact that many of our people through abusing the leisure of week-end trips are becoming more and more detached from church life and the rightful observance of the Sabbath, greatly endangering thereby the family welfare. This Conference urges our people to do all that is possible to prevent any neglect of worship, and to secure the reverent observance of Sunday as a day of rest. (c) The Conference recommends that the last Sunday in October be a Sabbath Observance Day, when the sacred character and obligation of the day be emphasised in pulpits, Sunday-schools, and Bible Classes.
- 3. Temperance.—That this Conference expresses its deep regret that the last Parliament did not give expression to the wish of the people and substantially reduce the unjust handicap which makes it possible for a minority to overrule the wishes of the majority and continue the liquor traffic in our midst. It believes the war overshadowed the elections in December, many being afraid at the present juncture to make any change that would interfere with the revenue of the Dominion. The figures, however, clearly indicate that we must not only agitate but educate, and the Conference would strongly urge the formation in every circuit of Bands of Hope and other Temperance Societies for the promotion of personal abstinence, and the introduction of definite total abstinence teaching in connection with our Sunday-schools, such teaching to include the importance of taking the pledge. We rejoice in the continued progress of Prohibition in America, and in the success which has followed its adoption in Norfolk Island. The action of the Czar in abolishing the Government monopoly of the liquor traffic in Russia, at a loss to the revenue of £93,000,000, is a cause for thanksgiving, and in striking contrast to the fears of many New Zealand electors. We are thankful that the Synods still report success in the No-License areas, and again express our faith in the principle of the reform and confident expectation of ultimate victory for National Prohibition in New Zealand.

- 4. LIQUOR IN THE KING COUNTRY.—(a) That this Conference, having had its attention called to the grave liquor scandals in the King Country, calls upon the Government to take the most effective steps possible to enforce the prohibitory laws. It has been shown that the leading representative chiefs of the King Country are most emphatic in demanding that the sale of liquor should be prohibited in accordance with the original proclamation, and the Conference will regard it as a serious dereliction of duty on the part of the Government if that demand is not attended to.
  - (b) That a copy of the foregoing resolution be forwarded to the Prime Minister.
- Immorality.—That this Conference views with deep concern the large number of serious offences against girls and young women in the Dominion, and urges the Government to have the law so altered as to provide—
  - (a) That the age of consent be raised to 18 years.
  - (b) That criminal proceedings in respect of such offences may be instituted within twelve months of their occurrence.
  - (c) That the defence of apparent age shall be no longer available to an accused person.
- 6. Committee.—That the thanks of the Conference be presented to the retiring Committee, and that the following be the Committee for the ensuing year:—The President of the Conference, Revs J. G. Chapman, W. Slade, G. S. Cook, C. H. Standage, J. Richards, J. J. Lewis, W. Beckett and S. H. D. Peryman, Messrs C. M. Luke, J. Lomas, T. Sims, W. J. Hellyer, E. Kellow, B. J. Lynneberg, H. Oxley, E. Feltham, H. T. H. Grave, J. Cable, E. Dawson, W. J. Clarke, J. Raine, G. Petherick, T. Fathers, J. H. White, R. G. Denton and Mesdames Peryman, J. L. Wright and A. E. Boxall. Convener, Rev. J. Richards.

# QUESTION XXXII.—What are the Resolutions of the Conference respecting Church and other Properties?

## A.—GENERAL REPORT ON CHURCH PROPERTY FOR THE YEAR 1914.

1. The General Secretary regrets to have to report that serious difficulty has arisen in the way of his being able to present as complete and reliable a report as he would like to be able to present. The Rule providing that all District Secretaries' Reports together with Circuit Schedules must be sent to him not later than December 15th is so largely disregarded that a complete examination of them before the preparation of the General Report is impossible. The last batch of schedules reached him on January 15th, a month after due date. If all the schedules were in perfect order, so that everything could be taken for granted, this would not matter so much. But in almost every district there are errors and omissions that can be corrected only by careful examination and comparison with past years' records. In some cases correspondence with circuits concerned is necessary in order to gain the necessary information.

- 2. After making every effort possible in such limited time to make the returns correct, I can only hope that some of the figures are approximately correct. The statements of indebtedness cannot in all cases be regarded as reliable. The "Sales Reported" do not always correspond with the sales effected. Some cases which are not reported have been supplied from information which had previously come to the Connexional Office. There may be other cases of which I have no knowledge. Possibly this defect may be the result of there being no column in the schedule specifically set apart for this information.
- 3. In a very few cases the District Secretaries report that no returns have been received. These appear to be confined to Home Mission Stations. I venture to suggest that in these cases the Chairmen of Districts, who are really the Superintendents of the Stations, should see that the Property Schedules and Returns are forthcoming according to rule.
- 4. Each of the District Synods recommends the reappointment of its present Secretary.

Subject to such revision as may be found necessary, consequent on matters referred to in paragraph 2 of this report, the following represents the principal Trust business done during the year:—

| (2) | From the Special Branch | 1     |        |         |     |    |    |   |
| 1-1 | Inglewood (Mountain I   |       | Church | 14.4.41 | 131 | 1  | 9  |   |

|     | Eltham Sunday-school    | Hall  |        |         | 100 | 0  | 0  | * |

The first item named in connection with the Special Branch represents payments made in connection with the redemption of a mortgage on the property formerly used as the Primitive Methodist Church at Inglewood. So far efforts made to dispose of the property have not been successful.

- 2. A large number of loans have been promised, and will be advanced as soon as the money is available, provided the conditions have been fulfilled. The large amount of Debt on which interest is being paid emphasises the necessity for increasing the Capital, and thereby the usefulness of the Funds, at the earliest possible date.
- 3. A full report on all loans current in each District was sent to the respective Synods last November. Special attention was drawn to those cases where repayment of Loans was seriously in arrears, and the Synods were asked to make some recommendation to the Committee, or themselves to take some action to secure an early settlement of these accounts. In most cases something was done. Some of the Synods took steps to bring the matters before the local Church Courts, asking them to make an effort to discharge the liabilities. In some cases recommendations were sent to the Committee, while others either did nothing, or have failed to report their findings to the Committee.
- 4. The Committee has not had time to deal with all the recommendations forwarded by the Synods. But there is one case which it is necessary to report on, as otherwise Conference might be disposed to give effect to the recommendation of the Synod. The Taranaki-Wanganui Synod recommends "That the Huiakama Property (East Egmont), with total liabilities, be taken over by the Church Building and Loan Fund." These liabilities are said to amount to £78, made up as follows: To Church Building and Loan Fund, £25 10s.; to Fire Insurance Fund, £50; on account Organ, £3. There has been some difficulty in dealing with this property, because of the absence of the Deed, but this is now in hand, and in proper order, so that new Trustees

can be appointed, as provided by the Model Deed. To ask the Committee to take over all the liabilities, while the use of the property and the control of all the sources of income remain with those on the spot, is so manifestly unbusiness-like that the Committee must decline to accept the liabilities under these conditions.

- 5. In accordance with the Rule, the Committee has to report to Conference those cases in which the Regulations have not been observed. Difficulty appears to arise in some cases from the fact that after making arrangements on the assumption that a building is to cost a certain sum, the actual cost proves to be considerably in advance of the estimates. At Tahuna, in the Upper Thames Circuit, only one-half the cost was raised towards the cost of new Church; and at Te Awamutu a tender has been accepted with the prospect of raising only £800 towards an outlay of £1500. At Vogeltown, New Plymouth Circuit, Worser Bay, Wellington South Circuit, and at both Earnslaw and Teviot Streets, in the Invercargill (Leet Street) Circuit, less than two-thirds of the cost has been raised. At Lowcliffe, in the Willowby Circuit, a vestry, costing nearly £75, is reported to have been erected, but no reference was made to the Committee. And at Timaru there has been an expenditure of more than £200, all of which appears to have been borrowed, or paid for out of bank overdraft, without the consent of the Committee having been asked. In some cases it is found that when the consent of the Committee is sought, the work is already on the way. This reduces the approval of the Committee to a mere formality
- 6. The Committee desires to place on record its deep sense of the loss sustained by the death of Mr. G. H. Blackwell, who rendered to the Fund very valuable and devoted service over a long period of time, being one of its Treasurers for nearly eleven years. The welfare of the Fund occupied a great deal of his attention. He jealously safeguarded its interests, and his advice on matters of polity and practice was always respected by his fellow-members on the Committee. The Conference is recommended to send a letter of sympathy to his family, and to express its appreciation of his long and faithful services.
- 7. The North Canterbury Synod appointed a Nomination Committee, which recommends that the members of the Loan Fund Committee be fourteen, seven Ministers and seven Laymen, and that for 1915 the following be the Committee:—The Connexional Secretary, the Superintendents of the Christchurch East, Woolston, Sydenham, St. Albans, and Addington Circuits, Rev. H. Bull, Messrs. J. Down, W. H. Seed, H. Holland, J. A. Flesher, A. F. Drayton, W. Henley and Colonel G. J. Smith. The Synod also nominates Mr. J. A. Flesher as Lay Treasurer of the Fund, in the place of Mr. G. H. Blackwell.
- 8. In addition to the transactions referred to in the General Report on Church Property, the following have been sanctioned by the Committee:—

## C .- REPORT OF AUTHORISED REPRESENTATIVE, 1914.

The work of the Authorised Representative was reported in detail to the several District Synods, and there seems to be no reason for

repeating the details in this Report.

During the year a large number of Certificates of Title have been sent to the Land Registrars, to have them endorsed as being subject to the provisions of the Methodist Model Deed. There are still others to be dealt with in this way. Quite a number of properties are subject to mortgage, and the Titles are therefore in the hands of the mortgagees, and in the meantime cannot be sent for endorsement.

It was stated in last year's Report that several Trusts were greatly in need of revision, on account of the death or incapacity of many Trustees whose names were still on the Register. During the year this has been remedied to only a small extent, and there are now on the Register many names of deceased and incapacitated Trustees. The means of correcting this state of things is so simple that in most cases

there is small excuse for its continuance.

As will be seen from the following Cash Statement, the payments for work done during the year have been in much better proportion than was the case last year. At the same time it is worth while for Circuit Superintendents and Trustees' Treasurers to bear in mind that in the end it will save time and expense for both themselves and the Authorised Representative, if the Conference Rule is complied with, and cash forwarded with applications for registration of Trustees, or for certified lists of the same. The scale of fees is found in the new Book of Laws.

Cash Statement for 1914:—Receipts: Credit balance from 1913, £5 6s. 6d.; cash receipts during 1914, £41 12s.; total, £46 18s. 6d. Expenditure: New Trustees' Register Book, £5 15s.; printing forms for certifying to Lists of Trustees, 17s. 6d.; advertising in Government Gazette, 8s.; cost of new Title at Shannon, 10s.; Copies of Puriri Conveyances, £2 11s. 2d.; Connexional Secretary's Fund, £31 10s; stamp and telegrams, £1 18s. 7d.; Total, £42 10s. 3d.; leaving a credit balance of £4 8s. 3d. There are outstanding items for 1912, 17s. 6d.; 1913, £4 13s.; 1914, £3 7s. 6d.; total, £8 18s.

#### SAMUEL LAWRY,

Authorised Representative.

Christehurch, January 14th, 1914.

#### RESOLUTIONS.

- 1. That the Report and Cash Statement be received and adopted.
- That, in accordance with the provisions of "The Methodist Church Property Act," 1887, the Rev. Samuel Lawry be appointed Authorised Representative for the year 1915-16.
- 3. That the Authorised Representative enter on the Church Register all new Trusts, and such alterations in Trusts as are certified by Circuit Superintendents, and that he report thereon to the Conference.
- 4. That it be an instruction to the Authorised Representative not to enter in the Register the names of new Trustees until the fees be paid.

#### D.—REPORT OF CUSTODIAN OF DEEDS.

Since the Reports were made to the Synods of 1913 the Deeds of the following Properties have been received by the Custodian:—Patea Parsonage, Tahuna Church, Pukekohe Church and Parsonage, Waimate Parsonage, Te Horo Church, Hawera Cottage, Halcombe Parsonage, Tuatapere Church, Murchison Church, Puriri Church, Eden Terrace Parsonage, Russell Church, Avondale Church, Bluff Church, Wakefield site, Mayfield Parsonage, and Huiroa Church. The last-named of these had been reported as missing for several years. It was ultimately found in the Lands Office.

The deeds of the following properties have been removed during the year from the care of the Custodian:—Harris Street Church, Waimate, Halcombe Parsonage, Wyndham Church, Enfield Church, Tahuna Church, Tuatapere Church (Memorandum of Lease), Greytown Church and Parsonage, Heathcote Valley Church, Te Awamutu Church, Awahuri Church, Gisborne Church. Most of these have been required by the Trustees for mortgage purposes, and two of them for purposes of sale.

There are several Deeds of Properties still in the hands of private persons, who do not seem to have any legal claim on them, as no debts are reported for the properties concerned. Ministers and Trustees are being urged to secure these Deeds, and lodge them with the Custodian as required by Conference. The absence of these Deeds makes it impossible to complete the entries in the Register of Trustees.

# SAMUEL LAWRY,

Custodian of Deeds.

Christehurch, January 15th, 1915.

#### RESOLUTIONS.

- 1. That the Report be received and adopted.
- That the Custodian be requested to keep a Register of Deeds, and to report annually to the District Synods and to the Conference.
- That the Custodian be requested to take the necessary steps for the recovery or the replacing of missing deeds of Church property.
- That the Custodian be authorised to obtain the necessary documents to secure the titles to those properties, the deeds of which have been reported as missing.

- 4. That the Treasurers and Trustees be respectfully requested to make their Balance-sheets terminate on December 31st, except in cases whom it is absolutely necessary to close them on September 30th, thus making all Balance-sheets terminate on those dates.
- That Connexional Trust Boards be requested to insure all their employees against accident.

#### RESOLUTIONS

# Emsly Trust.

That the following additional Trustees be appointed:—Rev G. Bond, Messrs G. A. Buttle, J. Veale, W. D. Buttle, J. E. Wheeler and T. W. Jones.

## Wellington Educational Trust.

- That the action of the Committee during the year, including their suggestions to the Trustees, be approved by the Conference.
- 2. That the matter of the Wellington Educational Trust be referred back to the Special Committee, and that it be empowered to take legal advice, and such other action as may be deemed necessary, and that the following names be added to the Committee:

  Revs. S. J. Serpell and W. Slade, with Messrs. C. E. Daniell and J. C. Prudhoe.
- That prior to any further action being taken by the Committee, the resolution of the Conference be conveyed to the Trustees.

## Theological Students' Library Fund Property.

That with a view of ascertaining in which Circuit this property is situated, a Committee be set up to enquire into the question of the boundaries of the Auckland (Central), Auckland (East), Auckland (Avondale) and Onehunga Circuits, and report to the next Conference. The Committee to consist of Revs C. H. Laws, B.A., J. Wrigley, J. Dukes, L. Hudson; Messrs. S. J. Ambury, A. Peak, A. C. Caughey and J. Robins. Rev. J. Dukes, Convener.

# QUESTION XXXIV.—What is the Report on Connexional Fire Insurance?

For Balance-Sheet, see Appendix, p. xxvi.

- 1. The business of the Fund during the year has been, in every way, satisfactory. The amount received by way of insurance levies was £97 19s. 6d. more than in 1913. The assets of the Fund amount to £7194 19s. 7d., being an increase of £795 19s. 10d. during the year.
- 2. The Committee has pleasure in again reporting that the loss sustained by fire has been exceedingly small. The amount paid for damage by fire during 1914 was £11 5s. Of this the sum of £6 5s. was paid by the Company holding re-insurance risks, making a net loss to the Fund of £5.
- 3. The total fire losses sustained by the Fund from the beginning of its operations, including the years covered by the period prior to Methodist Union, amount to £585 15s. 4d. This amount is divided as follows:—Primitive Methodist Fund, 1890 to 1912, £308 8s.; Methodist Fund, 1902 to 1912, £264 17s. 3d.; United Fund, £12 10s. It will be readily admitted that in this matter the Church has been very fortunate. It can hardly be expected that such good fortune will always be experienced.
- 4. At present the Fund covers about 600 risks, amounting to £226,602. The Committee continues to follow a cautious policy, and has re-insured all the larger risks, the amount covered by re-insurance being £73,415, or about 32 per cent of the entire risk.
- 5. During the year the Committee has made an effort to obtain more satisfactory securities for the Loans issued to Trustees of Church and Parsonage properties, which were taken over by the Committee after union. The proposal made was that they should sign an agreement to repay the loans during a period not exceeding ten years, by yearly instalments, and to pay interest on all amounts remaining unpaid. Some of the Trustees have signed an agreement to this effect. But in quite a number of cases no satisfactory arrangements have been come to. The Committee will continue its efforts to obtain proper security for both payment of interest and repayment of the Loans.
- 6. Most of the Trustees' Treasurers pay the Insurance Levies with commendable promptitude, but there are a few who seem to think that there is no hurry for making payments to a Church Fund. It must be evident that risks cannot be covered indefinitely without payment of the levies, especially where re-insurances have to be effected. There is one Trust which is a year and nine months in arrears; three, a year behind, nine six months overdue, and twenty-two have been owing since the 1st of November; the total amount being £62 13s. 3d.
- 7. With a view to a better distribution of work, the North Canterbury District Synod set up a Committee to revise the personnel of the several Committees meeting in Christchurch. The Committee recommends that the following be the Committee for the ensuing year:—The Connexional Secretary, Revs. T. Fee and A. Peters, and Messrs. C. E. Salter, A. Borrows, E. W. Hall, G. Barrell and H. Buttle.

Signed on behalf of the Committee,

SAMUEL LAWRY,

Secretary.

#### RESOLUTIONS.

- 1. That the Report and Balance-sheet be received and adopted.
- That the thanks of the Conference be given to the Committee for its services during the past year, and that the following be the Committee for the ensuing year:—The Connexional Secretary, Revs T. Fee and A. Peters; Messrs. C. E. Salter, A. Borrows, E. W. Hall, G. Barrell and H. Buttle.
- 3. That the Treasurers of the Connexional Trust Properties be requested to consider the advisability of effecting insurances in the Connexional Office.
- 4. That the Fire Insurance Committee be given power to act in the case of the request of the East Egmont officials for remission of premiums due on the Huiakama Church.

# QUESTION XXXV.—What are the Resolutions of the Conference respecting the Connexional Secretaryship?

For Cash Statement see Appendix p. xxvii.

## REPORT OF COMMITTEE.

- 1. The work of the Office continues to increase in all its departments. In the Report presented last year, it was intimated that the Committee thought it would be necessary to employ additional clerical assistance. This anticipation has been realised. Instead of a typist, who assisted with the clerical work, the Committee has employed a competent Accountant and Clerk, who is prepared to do the necessary typing, which is a minor part of the work required in the Office. To enable this to be done the Supernumerary Fund Board of Management and the Fire Insurance Committee have each resolved to contribute £25 a year additional to the contribution of the past year.
- 2. The Committee recommends the Conference to make the following appropriations for 1915:—Contingent Fund, £170; Church Building and Loan Fund, £170; Fire Insurance Fund, £190; Supernumerary Fund, £150; Authorised Representative, £30; Total, £715.
- 3. As a separate Report is given of each of the principal departments of the work done in the office, there is no need to refer to them in any detail in this Report.
- 4. The Conference is recommended to appoint the following as the Committee for 1915:—The Connexional Secretary, the Superintendents of the Christchurch (Durham Street), Christchurch East, St. Albans, Addington, Cambridge Terrace and Lyttelton Circuits, Colonel G. J. Smith, Messrs. J. C. Prudhoe, C. E. Salter, J. A. Flesher, E. C. Brown, G. Barrell and A. F. Drayton.
- 5. In regard to classifying and indexing the Early Church Records, arrangments have been made by the Committee on Early Church Records as reported by them. The Conference is recommended to appoint the Connexional Secretary as Custodian of Early Church Records.
- 6. The Committee desires to place on record its appreciation of the faithful and efficient service of the Rev. S. Lawry, who has attended to the multitudinous details and the growing work of the office with the greatest care and promptitude.

W. A. SINCLAIR,

Chairman.

#### RESOLUTIONS.

- That the Report and Balance-sheet of the Committee be received and adopted.
- That the thanks of the Conference be given to Colonel G. J. Smith for his services as Treasurer, and that he be re-appointed for 1915-16.
- 3. That the thanks of the Conference be presented to the Committee for their services during the past year, and that the following be the committee for the ensuing year:—The Connexional Secretary, the Superintendents of the Christchurch Durham Street, Christchurch East, St Albans, Addington, Cambridge Terrace and Papanui Circuits; Colonel G. J. Smith, Messrs J. C. Prudhoe, C. E. Salter, J. A. Flesher, E. C. Brown, G. Barrell and A. F. Drayton.
- 4. That the cordial thanks of the Conference be presented to the Rev S. Lawry for his faithful and efficient services in the carrying out of the increasing work of the office of Connexional Secretary.

# QUESTION XXXVI.—What are the Resolutions of the Conference respecting the Theological Institution?

For Balance-sheet, see Appendix, p. xxviii.

# A .- REPORT OF PRINCIPAL.

The College opened this year with fourteen students, the largest number we have yet had in residence together. At the close of the year our number is but eleven, three having been called out within the last few weeks to supply urgent Circuit needs—C. H. Kendon, to Avondale; R. B. Speirs, to Warkworth; and G. E. Brown, to Marton. Save that we are somewhat cramped in the Lecture Room our temporary home has met the requirements of this larger number. An additional bathroom and lavatory were added during the year by our generous landlord.

The health of the men has been excellent throughout the whole year. Mr Mogridge, whose throat occasioned considerable trouble last year, commenced the present year under treatment by Dr. Somerville, who in July last removed the tonsils; since then Mr. Mogridge has had no trouble, and the throat is now strong and his voice clear.

Mrs. Garland has had a year of ill-health, but by the help of her daughter has managed to maintain satisfactorily the domestic management of the Institution.

#### STUDIES.

In Theology and Exegesis all students have taken the same course. We have gone carefully through Orr's "Christian View of the World," which makes an excellent text-book; and also through Lightfoot's. Commentary on the Epistle to the Philippians.

In Greek Testament we have three grades: the first has taken the Epistle to the Ephesians with Grammar and Exegesis; the second, portions of St John's Gospel and Green's "Handbook to the Grammar of the New Testament"; the third. Elementary Grammar.

Hebrew has been added to the curriculum for the first time. Although the time that can be given to this study is small, yet the subject should have a place. A Theological College that offers no opportunity for the study of the language of the Old Testament is incomplete. Most of the men have found the initial work difficult, but the benefit in future years, of being able to make use of the best commentaries, and of reading the texts in the original tongue, will amply compensate them for present difficulties. I am of the opinion that all second and third year's students should be required to take up the study and to continue it throughout their probation.

In reply to my order to the British and Foreign Bible Society for fourteen copies of the Hebrew Bible, I received the following kind letter from the Secretaries through the Rev. Arthur Taylor, M.A.:—

"Dear Sir,-

"We have received from the Manager of the Wesleyan Book Room your letter of October 24th, containing an order for 14 copies of the Hebrew Old Testament for the use of students in your College.

"I have had pleasure in submitting your letter to our Committee, and they, in turn, have been pleased to make a free grant of the books in question, in order that they may show to students in Theological Colleges in New Zealand the same encouragements which they give to similar students in this country. Will you kindly convey to the students our best wishes for success both in their College life and afterwards in the Ministry to which they will be called."

Considerable time has been given to the study and practice of Elocution. During the first and second terms Mr. T. Harris held an Elocutionary Class on Friday evenings, and during the present term Mr. Walter Gray has given a Course of five lectures on Voice Production.

In the Homiletics Class, which is held on the Thursday morning following the preaching of trial sermons, I have an opportunity of dealing with each man's application of the lessons received.

Four men are preparing to Matriculate this year: Messrs H. J. Odell, G. B. Sheridan, E. T. Olds, and E. E. Sage. They have had excellent tutors in Mr. A. W. Short, B.A., who has taken them in Latin and Mathematics, and Mr. G. P. O'Shannassy, Ph.D., who has taken them in English, History, and Geography. These gentlemen have been most assiduous in their classes, and I think that the Examination marks will show that the students have worked faithfully and intelligently.

Seven men have been attending the University: Mr. A. R. Gordon, B.A., sits in November for his M.A. degree. He has chosen for his subject "Economics." Mr. W. G. Slade sits for the final section of the B.A. degree in Economics, Greek and History. Messrs. H. H. Marshall and S. J. Mogridge sat a few days since for their second year's term examinations and are expecting to be qualified to sit immediately for the final section of the B.A. degree, Marshall taking Mental Science, Economics and History; Mogridge, Economics, Latin and English. Mr. W. S. Smith will sit for the first section of the B.A. degree, taking Economics, History and English.

Mr. S. J. Werren has attended the first year's classes in Economics, Latin and English, and Mr. W. S. Neal in Economics, Latin and Mental Science.

#### RECREATION.

The Hockey Club which the students formed last year has continued to supply necessary relief from mental strain. It is now the champion Club of its grade, and holds the Silver Cup. Mr. A. C. Caughey, in addition to other improvements, has laid down an asphalted tennis court, much to the delight and gratitude of the men. Nor is all the recreation of a "sporting" nature; the kitchen garden, the orchard, the bee-hives, the flower beds, the winter's firewood, the fences, household repairs, the manufacture of sundry articles of furniture for the house or lecture room (for we have skilled labourers in some of the arts and crafts) absorb about three hours a week of each man's time.

#### SPIRITUAL TONE.

Life in an Institution such as this has temptations peculiar to itself. Theological studies may easily become separated from their spiritual realities; daily familiarity with the outer shrine of sacred things tends to obscure the spiritual vision; and absorption in wide and general reading is in danger of deflecting the attention from the main purpose of the preacher's vocation. I am pleased to report that the men are alive to these insidious temptations and are forearmed to resist.

Our Sunday morning gathering before breakfast in the Lecture Room is a time of healthy heart-searching, confession, and of consecration. The character of our Class Meeting is varied by Fellowship, Prayer, Missionary Talks, and by partaking of the Holy Communion.

Every Friday evening the students have a Prayer Meeting by themselves. The gift of a new American Organ at the beginning of the year has been of great advantage in all our devotional meetings. To Mrs. Peat, of Remuera, and the generous subscribers upon whom she waited, we are grateful for this useful gift.

The Undergraduates have taken a lively interest in the Students' Christian Union in connection with the University College. Mr. W. S. Smith is the elected President, and of the seven leaders of the Bible Circles there we supply five. In the last number of the "Australasian Intercollegian" (September, 1914) the Editor writes: "In Auckland, Mr. Young found the work on a firm basis throughout. A particularly satisfactory feature was the increased interest displayed by Students at the Methodist Theological College, who have identified themselves actively with the work of the University Union."

We are indebted to a number of gentlemen who at our invitation addressed the College on various aspects of Ministerial life. The Rev. W. H. Lax, of Poplar, awakened much interest in the Methodist Missions of the East of London; Mr. James R. Young did the same for the Students' Union, particularly in its relation to Foreign Missions. And the interest in Foreign Missions was further quickened by a table talk from the Rev. C. E. Dent, of the South African Conference. Mr. W. Frank Freeman gave us two visits and spoke with the authority of long experience on the Modern Sunday-school and its requirements; and the Rev. E. P. Blamires gave what promises to be a fruitful address on "Circuit Organisation."

#### LIBRARY.

The Students' Library Fund Trustees continue to take an interest in their work. Over £40 has been spent during the year on new books, and to the Magazines have been added some of the English illustrated papers. When Mr. Edson visited the College last April he suggested that, as Treasurer, he would favour the purchase of a telescope suitable for observations of the Heavens. The Trustees subsequently approved of the suggestion and we have purchased from Mr. A. P. Lucas, of Nelson, an excellent glass—a 4-inch "Wray."

#### THE COMING YEAR.

Of the present men in residence, Messrs. Marshall, Werren, Neal and Odell—all faithful students, who will be much missed here—are completing the third year and expect Circuit appointments.

It would be to Mr. A. R. Gordon's advantage also to have a Circuit appointment, although he has but completed his second year. Mr. Gordon is an excellent student. He has succeeded in getting first place in the examinations in Greek Testament, Theology and Exegesis; and thus wins both the "Edson" and the "Lawry" prizes. And I have no doubt but that he will be successful in his examinations this month for the M.A. degree. As he intends entering the Foreign Field it will be well for him to receive an appointment to a Circuit where he can have the opportunity of some medical training.

The other men now in residence ought to return, and so also should Messrs. C. H. Kendon and G. E. Brown. If these changes take place the College will have vacancies for six more men.

For Balance-sheet, see Appendix p. xxviii.

## REPORT OF COMMITTEE.

The Committee has held only one meeting during the year, when a suggestion re the sale of the Epsom site was considered.

It was decided after very careful consideration that the question of sale be deferred for the present.

A sub-committee was appointed to report on the most suitable sites for the new Theological College.

Until the site of the new University College is settled the Committee is unable to take any definite action.

# T. FRANCIS JONES,

Convener.

- 1. That the Report and Balance-sheet be received.
- 2. The Conference greatly regrets Mr. A. C. Caughey's request to be liberated from the office of Treasurer. Though sympathising with the reasons he urges, the Conference cannot but earnestly request him to reconsider the situation. It remits the matter to the new Theological Institution Committee, with power to act.
- 3. That the following be the General Committee in connection with the proposed new College:—Revs. G. Bond, J. H. Simmonds, J. Dukes, C. H. Laws, B.A., C. H. Garland, A. C. Lawry, W. S. Potter, G. # QUESTION XXXVII.—What are the Resolutions of the Conference respecting Wesley Training College?

## Report to Conference for the Year Ended December 31st, 1914.

The work of 1914 has been so much like that of previous years that there is no need to take up the time of the Conference with a detailed account of methods and results. The thirty boys and youths who have been in residence have found the College to be a home where life, though strenuous, has been cheerful and happy. School lessons, industrial duties, sports, military drill, and religious services have filled up all the days, and left no place for the temptations that befall the idle. Conduct has been good, and discipline easily maintained.

The new charter of the College obtained in 1911 by the passage of the Methodist Charitable and Educational Trusts Act has been enlarged and extended by the Amending Act passed in 1914, as sanctioned and approved by last Conference. The Board of Management has now all the powers necessary for the efficient administration of the Trust Estate, subject in respect to each important transaction to the Conference or its Committee. The benefit of these powers will be seen in future years, when lands now yielding only grazing rents will become subdivided and disposed of under building leases.

The outbreak of a great war has very seriously, though we trust only temporarily, impeded our scheme for transferring the College to Steps were in progress for effecting the sale of a section of land near the City, the proceeds of which would have just about covered the cost of the seven hundred acres at Pacrata. Prospects covered the cost of the seven hundred acres at Paerata. Prospects appeared to be hopeful and encouraging for our plans in every way. The announcement of war, however, turned all intending purchasers back, and threw upon the Trustees the necessity of providing for a heavy liability in some other way. The new farm is being worked and improved, and in spite of the exceptionally dry weather experienced during the last two years, is showing that it can yield good results. The buildings in which the College is at present housed become every year less suitable and less sanitary; the need for a forward movement is really very urent; and the Conference is assured that the Board will really very urgent; and the Conference is assured that the Board will fail of no effort to carry out the work of occupying the new site as soon as our unexpected difficulties will permit this to be done.

Signed on behalf of the Board,

GEORGE BOND, Chairman. H. E. SIMMONDS, Secretary.

Auckland.

The Report and Financial Statement were received and adopted.

#### RESOLUTIONS.

1. That the Conference expresses its continued appreciation of the work of the Principal, and of the College.

2. That the Rev. C. H. Laws, B.A., be added to the Board, and that he be appointed its Chairman for the ensuing year.

3. That where by the provisions of The Methodist Charitable and Educational Trusts Act, 1911, and the amendments thereof, the sanction, approval, or consent of the Conference is required in respect of any dealing or transaction by the Board of the Wesley Training College in exercise of its powers under the said Act or the amendments thereof, such sanction, approval or consent may be given on behalf of the Conference by the Committee of the Church Build-ing and Loan Fund.

4. The Conference, being informed of a dispute between the Wesley Training College Board and the Trustees of the Methodist Theological Students' Library Fund, resolved: That the Report from the Wesley Training College Board be referred to the Church Building and Loan Fund Committee, and that the Library Fund Trustees be requested to submit their statement of facts, with copies of any relevant documents to the Committee within thirtyone days from the rising of Conference, with a view to the Committee advising as to what course should be pursued.

# QUESTION XXXVIII.—What are the Resolutions of the Conference respecting the Connexional Funds?

#### I.—SUPERNUMERARY FUND.

For Statement of Receipts and Expenditure sec Appendix, pp. xxx.axxxii.

# REPORT OF THE BOARD OF MANAGEMENT, 1914.

1. The Conference will be pleased to learn that practically all the matters which a year ago were reported to be in dispute between the Board of Management and the Australasian Board of Treasurers have been settled. The New Zealand Board has conceded the point so strongly insisted on by the Australasian Board, as to the date of the division

of the Funds. By dating the Fund from 1st January, 1912, a great deal of additional and complicated book-keeping has been rendered necessary, as the material for keeping the accounts in New Zealand was not available till 1913. The Board has found it necessary to employ a professional accountant to put the books in order, and to adjust all outstanding accounts between the two Boards.

- 2. The total amount of capital transferred from Australia to New Zealand up to December 31, 1914, was £52,770 14s. 10d. Approximately the sum of £9240 remained at that date with the Australasian Treasurers. Some small adjustments have to be arranged before a final settlement can be made, but these will not make any material difference in the amount of the capital due to the New Zealand Fund.
- 3. Up to December 31, 1914, the sum of £8750 9s 9d had been received on account of purchase of interest in the Funds for Ministers and Probationers previously connected with the Superannuation Funds of the Primitive Methodist Church. The Committee appointed by the last Primitive Methodist Conference hope to be able to make a statement to this Conference as to the proportion of benefits which it is intended to purchase for each minister. When this is done it will be possible to make a more complete estimate of the assets of the Fund than can be made at present.
- 4. The Cash Account shows that during the year £1541 3s. 6d. was received on account of Ministers' Subscriptions, and £1791 on account of Circuit Levies. Practically all Circuit Levies due prior to December 31st had been paid, leaving only those due for the December quarter to be paid after the closing of the Books. The following table shows the arrears of Ministers' Subscriptions and interest thereon due at the end of the year in each District:—

| Districts.          | Arrears of<br>Subscriptions. | Interest on<br>Arrears. | Totals. |

Of the above amount £40 8s. was owing by first-year Probationers, who are not required to pay their first year's subscription till the second year.

5. The Board desires the direction of the Conference with regard to a sum of £25 17s. 6d. which was owing to the Fund by the Bible Class Movement Committee at the time when its affairs were wound up. In the Revenue Account furnished by the Australasian Board this amount is treated as an available asset, and is credited to the New Zealand Fund. The Board must either be allowed to wipe off this amount as a bad debt, or some means must be adopted of paying it to the Fund.

- 6. On December 31st the amount invested in mortgage was £51,650, all of which is bearing interest at 5½ per cent. The only interest in arrears was £19 0s. 6d. on a small security in Invercargill. In January, 1914, the Board purchased New Plymouth Borough Debentures to the value of £3000. These have a currency of nearly 30 years, and bear interest at 5 per cent. During December the Australasian Board transferred to the New Zealand Board Debentures of the face value of £6500. Of these, £5600 worth are payable by the New Zealand Government and £900 worth by the City of Wellington. The rate of interest on these is 4 per cent. These have been accepted by the Board as its equitable share of the low-interest-bearing securities held by the Australasian Treasurers at the time the Fund was divided, and the Board has also agreed to the writing off of £698 as its share of the depreciated value of Debentures and Shares which in the valuation had been reckoned at face value.
- 7. Four annuitants died during the year—one widow and three supernumeraries. Each of the supernumeraries leaves a widow who is now a claimant on the Fund. No minister died while in full work.
- 8. The Conference is recommended to make the following alterations in the Rules:—
  - Rule 17.—Insert "not less than" before 20 per cent., and add: "The Board may require the Quarterly Meeting of the Circuit to which any Minister or Probationer whose subscriptions shall be in arrears is appointed, to deduct the amount of such arrears and also the current year's subscription from the stipend of such Minister or Probationer, by such instalments as it shall direct, and remit the same to the Treasurers of the Fund until all arrears and interest thereon shall be fully paid."
- 9. The Board regrets having to report the death of Rev J. N. Buttle, one of its members, who, until failing health prevented him took a keen interest in the administration of the Fund. The Board nominates Rev A. Peters as his successor.

(Signed on behalf of the Board of Management)-

- 3. That in Rule 17, the words "not less than" be inserted before 20 per cent. and that the following be added:—"The Board may call upon the Chairman of the District to deduct from any Connexional moneys passing through his hands for the benefit of any Minister or Probationer in his District, the amount due for subscriptions or interest thereon, and remit the same to the Treasurers of the Fund."

- 4. That the thanks of the Conference be given to the Connexional Secretary and Mr J. C. Prudhoe for their services as Treasurers during the past year, and that Mr J. C. Prudhoe be re-appointed Lay Treasurer of the Fund.

# QUESTION XXXIX.—What are the Resolutions of the Conference respecting Foreign Mission?

The Report and Financial Statement were received and adopted.

- That the Conference records its keen sense of the loss caused by the removal of the late Rev. J. Newman Buttle, to whose enthusiasm and diligence the growth of the income of the Foreign Missionary Fund is largely due.
- 2. That the thanks of the Conference be presented to the Rev. L Hudson for his services during the past year.

- 3. That this Conference places on record its heartiest appreciation of the valuable services rendered by Mr. A. R. Sherris, as Lay Treasurer to the Foreign Mission Fund, during the six years he has so efficiently filled that office.
- That the Rev. W. Slade be re-appointed Foreign Missionary Secretary for the ensuing year.
- That the President of the Conference be appointed to represent New Zealand Methodism at the Australian Methodist Centenary Celebrations in August next.
- 6. That the setting apart of a Secretary to the Foreign Mission Department be postponed for a year, and that Conference appoint a Committee to consider the whole question of Departmental Officers, and report to the next Conference through the District Synods.
- 7. That this Conference heartily welcomes the Rev. Dr. George Brown, F.R.G.S., once again to New Zealand, and expresses cordial thanks for his inspiring address. It congratulates him upon his success as Missionary, Explorer and Author, and upon his election to the Presidency of the General Conference of Australasia. It cordially reciprocates the greetings he has brought us, and wishes for him and his devoted wife many more years of health and happiness.
- 8. That this Conference, believing that these days of international trouble are opening the hearts of men to the claims of the Eternal, and remembering that many of the great British Missionary Societies (that of our own Church included) had their birth amid the convulsions of the French Revolution and the Napoleonic wars, and recognising that Missions represent the antithesis of war, regards the present time as opportune for promoting the missionary spirit in all our churches, and recognising that the present needs of our Missionary Society cannot be met except by unwonted sacrifices, it declares its confidence in our people to make such sacrifices rather than permit any measure of retrogression from the positions we hold in the heathen world.
  - 9. That the Foreign Missionary Committee be directed to obtain necessary information and to enter into negotiations with the Mission Board, and the Mission Districts concerned, with a view to determining our own Foreign Mission sphere, whether it shall include:—
    - (1) Samoa, Tonga and the Solomon Islands,
    - or (2) Samoa, Tonga and Fiji, including the Indian Missions,
    - or (3) any other sphere.
    - It shall also ascertain the most suitable date for assuming full responsibility, and report to the Conference of 1916.
- 10. That this Conference deeply appreciates the noble offer of the Missionaries and the Staff to contribute 10 per cent. of their stipends rather than have their work curtailed through lack of funds, but considers that such sacrifice should be shared by the whole Church. It pledges itself to do its utmost to increase, to the extent of 10 per cent., the estimated contribution of £4500 to the Mission Funds.
- 11. That the proceeds of the lectures to be delivered by the President of the General Conference of Australasia (Rev. G. Brown, D.D.), during his present visit to New Zealand, be invested, and form the nucleus of a Reserve Fund for our own separate Missionary Society.

- That all Circuits be urged to appoint Circuit Treasurers for the Foreign Missionary Fund.
- 13. That the following be the members of the Foreign Missionary Executive Committee for the ensuing year:—The President of the Conference, the Ministers of the Wellington and Suburban Circuits, and Messrs. E. Kellow, W. E. Redstone, C. M. Luke, J. Lomas, J. G. Raine, J. Cable, M. Cable, H. Hart, T. Sims, T. Fathers, J. Jamieson, W. E. Howe, and also Mr. Sheppard Green, as corresponding member.
- 14. That the Special Committee for Foreign Missions, to deal with the question of a separate Mission Field for New Zealand, be the above Executive, together with Revs. S. Lawry, C. H. Garland, C. H. Laws, B.A., W. A. Sinclair and E. P. Blamires, and Messis. H. Holland, J. A. Flesher, E. Rosevear and A. Peak.
- 15. That the Conference learns with great satisfaction of the formation of the Methodist Ladies' Auxiliary Union, and also of the Christchurch Branch of the Methodist Laymen's Missionary Movement, and prays that these organisations may be crowned with success. The Conference hopes that branches of the Laymen's Missionary Movement will be established in all centres of population.
- That in order to awaken and extend Missionary interest, the Conference directs—
  - (a) That Missionary advocacy be not limited to annual sermons, the visits of deputations, nor to quarterly lessons in the Sunday-schools, but rather interfuse the life of the entire Church the whole year through.
  - (b) That Missionary Study Circles be formed, or that Missionary Study be combined with Bible Study in Bible Classes, Fellowship Meetings, etc.
  - (c) That Missionary Topics be conspicuous in the syllabus of the Wesley Guild and other Societies of the Church.
  - (d) That the reading of Missionary Biography be encouraged in connection with the Sunday-school Libraries and in home reading.
  - (e) That the Editor of the "Methodist Times" be asked to set aside a special page for missionary news.
  - (f) That the intercession of the Church be directed habitually to the various phases of the world-wide programme of Christianity.
- 17. That Circuit Superintendents be requested to call the attention of congregations to Missionary literature, in order to secure a wider distribution; and that the Quarterly Meetings be asked to encourage the sale of the "Missionary Review." That an active agent be appointed in every Circuit by the Quarterly Meeting, who shall secure subscribers, collect subscriptions, and remit the same through the Superintendent to the Conference Treasurer, and that all orders for the "Review" be forwarded through the Foreign Missionary Secretary.
- 18. That the Conference strongly urges the desirability of placing at least one Missionary box in every Methodist home in the Dominion.
- 19. That, recognising the importance and value of the work of the British and Foreign Bible Society, the Conference recommends that a retiring collection be taken up in all our churches on Bible Sunday, May 2, in aid of the Society's Funds.

- 20. That this Conference, representing European and Maori Churches, rejoices to hear of the proposed visit of Dr. Brown to Tonga, and requests him to convey to the Methodist people of Tonga our loving sympathy with them in their efforts to promote the spiritual life of their own people. The Conference expresses great admiration of their efforts to spread the Gospel in the regions beyond; and trusts that Dr. Brown's visit may tend to spiritual concord and the closer drawing together of the two existing Churches.
- That the first week in July be observed as a week of self-denial for Foreign Missions by our people throughout the Dominion.
- 22. That the Report of the Representatives to the Board of Missions be received and printed in the Minutes.

# REPORT OF THE NEW ZEALAND MEMBERS OF THE BOARD OF MISSIONS, 1915.

The Annual Meeting of the Board of Missions was held in Sydney, opening on Wednesday, February 3rd, and closing on Monday, February 8th, under the Presidency of Rev. Dr. Brown. There was a lengthy agenda set out on eighteen typed foolscap pages, besides many references to Resolutions, and correspondence from the Mission Districts, and numerous statements setting forth the financial position of the Board.

The following Table shows the estimated income for 1914, and the amounts actually received:—

From the above it will be seen that the Home Churches contributed £1768 more than the estimate, but the amount received from the Mission Districts was £3273 less than estimated, making the amount ac-

tually received from all sources £1505 less than the estimates drawn up a year ago. The income from the Home Churches was the largest ever reached in one year, but this was more than counterbalanced by the shrinkage in the income from the Mission Districts, which appear to have suffered financially by the war relatively more than the Home Churches.

#### EXPENDITURE FOR 1914.

The total amount allocated for expenditure during 1914, including the amount to be retained in Fiji for local purposes, was £45,000. The actual expenditure, including the debit balance brought forward from 1913, was £49,130. The increase was caused mainly by an alteration in the date of closing the accounts in some of the Mission Districts, whereby the expenditure was made to include fifteen months instead of twelve. The actual expenditure for twelve months was only £813 10s. 5d. more than the actual year's income. But to this must be added, not only the extra expenditure for three months, as already indicated, but also the debit balance brought forward, amounting to £2869 16s. 11d., and an amount paid into the "Reserve" or "Working Capital Fund," making a total deficiency to be carried forward of £8980.

#### ESTIMATES FOR 1915.

The following Table shows the amounts which it is expected will be received from different sources, and the estimated expenditure for 1915:—

| Estimates of Inco                                                                                                     | ome.  | £                                              | Allocated I                                                                               | Expendi | ture. |                                                    |

The total of the grants asked for by the Mission Districts in addition to other necessary expenditure amounted to £52,961. This was more than £9000 in excess of the estimated income, without making any provision for the extinction of the debit balance. It was, therefore, necessary to decline nearly every proposal for new work, as well as to make retrenchment in the work now carried on. There was still a large gap between the estimated income and the proposed expenditure. In order to prevent any further curtailment of the work, the Missionaries, Missionary Sisters, and Missionary Secretaries voluntarily surrendered ten per cent. of their salaries for the current year. This amounts to about £1300, and brings the estimates of income and expenditure to about equal amounts.

It was with some reluctance that the Board agreed to accept this generous offer on the part of those engaged in doing its work at home and on the field. The hope was expressed that similar liberality would be shown by all our Ministers and people throughout Australasia, so that there may be no need to continue the reduction beyond the present year, that the deficiency may be liquidated, and aggressive work speedily resumed.

It will be readily understood that in view of the embarrassed condition of the Board's finances a large part of the time was occupied in considering this aspect of the work. The arrangements suggested by the Board at its Annual Meeting in 1914 for dealing with the Bank overdraft required in the early part of the year, had not been adopted by all the Conferences, and so matters remained unaltered. It was ultimately agreed that the amount of overdraft required should be guaranteed by the several Conferences, each becoming responsible for a proportionate amount. The share allotted to New Zealand was £1000. This had already been arranged for, and the bond signed. In addition to these guarantees, legacies and other negotiable securities belonging to the Board, and the amount standing to the credit of the Reserve Fund are all used for the purpose of strengthening the Board's position at the Bank.

#### "THE MISSIONARY REVIEW."

The fact that the cost of publishing the "Review" was about double the amount received from sales, caused the whole case to be very fully considered. It was decided to continue the publication of the "Review" at the present size, but to reduce the amount of small type, and, if possible, to further improve the matter and get-up of the magazine. All free copies are to be stopped, except those supplied to Libraries or as exchanges. After next June the cost will be 1/6 per annum, including postage; and arrangements will be made to supply monthly parcels to societies or individuals, on payment of the usual charge.

#### ANNUAL REPORT.

Important alterations are to be made in the Annual Report. An abstract showing the general work carried on, and the financial statement, will be issued to each Conference Secretary, who will be expected to compile a detailed statement of income, giving the names of all subscribers of 2/6 and upwards. This statement is to be printed locally and bound up with the Report, so that each Conference will publish its own edition of the Report.

# INDUSTRIAL MISSION WORK.

Considerable attention was given by the Board to the matter of plantation work and other industrial operations carried on under the direction of Missionaries. A Special Committee was appointed to make full enquiries into this aspect of mission work, and report to the next Annual Meeting of the Board.

#### SPHERE OF NEW ZEALAND OPERATIONS.

Your representatives at the Board in 1914 recommended that the sphere of future missionary operations by the New Zealand Church should be the Solomon Islands, with Samoa and Tonga as a source of supply for Native Teachers. The Conference adopted the Report which

suggested that this question be referred to a Committee to make further enquiries, and report to the present Conference; but no Committee was appointed. No resolutions on the matter were passed by the Board, but there was a general consent to the suggestion that in view of the war and the possible political consequences in some of the Islands, it might be wise to defer any definite decision for a time, especially in view of the fact that nothing could be settled till the General Conference meets in 1917. At the same time there appeared to be a growing feeling in favour of New Zealand taking Fiji instead of the Solomon Islands.

## CONFERENCE SECRETARY FOR NEW ZEALAND.

The Board was careful not to do anything which might seem to commit the New Zealand Conference to any definite course of action, or even to make any request or recommendation in favour of the appointment of a Conference Secretary in New Zealand for Foreign Missions. At the same time the Board has not done anything to hinder such an appointment. The amount required for the support of such a Secretary has been placed on the estimates, and the New Zealand Conference has been left to make its own arrangements for Deputation work during this year. It will be for the Conference to judge whether, in view of these facts, it is desirable to set apart its Foreign Mission Secretary for organising and Deputation work this year.

#### RESERVE FUND FOR NEW ZEALAND.

The Board is steadily building up from legacies, and other sources, a "Reserve Fund," to be known henceforth as "The Working Capital Fund." The question was submitted to the Board as to whether there would be any objection to the New Zealand Conference taking steps to provide the nucleus of such a Fund, in view of its needs when it should assume the responsibility of supporting its own sphere of work. While carefully refraining from anything which would assume the existence of any policy not yet decided on, the Board plainly intimated that if the Conference should set apart a Secretary there would be no objection to his working for the formation of a "Reserve" or "Working Capital" Fund, provided this did not interfere with New Zealand raising the estimated amount for the General Fund.

#### CONCLUSION.

There were several minor matters considered by the Board, but those herein referred to appear to be the only ones which it seems necessary to report upon. If there is any note of regret to be included it is to the effect that so much time was occupied in discussing business details that there was no opportunity for dealing with the work which is being done on the field. The proceedings of the Board supplied very little information on which an opinion could be based as to the success or otherwise of the work of our Missionaries. A brief review of the work on the field would be a welcome relief to the tedium of financial discussion. And a comparison of methods adopted at the home bases should be helpful to workers who are so widely separated from one another.

# QUESTION XLIV.—What are the Resolutions of the Conference Regarding the Connexional Orphanages?

The Financial Statements of the Orphanages were received and adopted.

#### REPORT OF COMMITTEE.

## A .- THE NORTH ISLAND ORPHANAGE.

(Mount Albert, Auckland.)

For Balance-sheet, see Appendix p. li.

# Report for Year 1914.

The Orphanage was opened on December 20th, 1913, and the first child, a girl of tender years, was admitted on January 7th, 1914.

At the end of the first year there were in residence 16 girls and 6 boys, 22 in all.

The health of the children has been good and their conduct excellent.

The management has been beyond all praise, and reflects great credit upon the Matron, Mrs. J. Blight, who has had the able assistance of her husband the Rev. J. Blight, and of their estimable daughter.

The Ladies' Committee, with its several branches, has rendered invaluable service in furnishing, and in various ways showing a practical interest in the comfort and happiness of the children. Their first Christmas in the Home will long be remembered by the little ones in consequence of the good cheer provided for them by the ladies, and the outings by rail, tram and steamer arranged for by the President, Mrs. Fred. W. Wilson.

An official inspection of the Home was made during the year by the Government Inspector from Wellington, and his report, a copy of which was furnished to the Committee, as to the situation and condition of the property and the management of the Orphanage, was highly commendatory and contains valuable suggestions.

Visitors from many parts of the Dominion, and even from England. have graciously expressed their appreciation of the good work done, and the "Home-like" character of the Orphanage.

Of the Synod function, the most enjoyable one was the visit paid by the members to the Orphanage, on the invitation of Mr. and Mrs. A. C. Caughey. A programme of song and recitation was provided by the children, and was much appreciated by all present.

The property is in process of conveyance to the Methodist Church of New Zealand upon the Trust of the Model Deed, and by the time Conference assembles the Church will own a splendid property without a penny of debt.

It will be seen from the Balance-sheet that the income was £849 0s. 5d., and the expenditure £705 9s. 7d., showing a credit balance of £143 10s. 10d. upon the ten months' working, to October '31, 1914; for this the Committee is grateful to God and to the generous donors of money and goods for the benefit of Christ's little ones, and hopes for a continuance of the same liberality during 1915.

GEORGE BOND, Chairman. WM. ASTLEY. Hon. Secretary.

#### B.—THE SOUTH ISLAND ORPHANAGE.

(Papanui, Christchurch).

For Balance-sheet, see Appendix, pp. lii.-liv.

## Report for 1914.

It is with sincere pleasure we present the first report of the South Island Methodist Orphanage to the Synods.

The institution was opened on Saturday, April 25th, by the Mayoress of Christchurch, the Vice-President of the Conference, Mr. E. Rosevear, being also present. Owing to the indisposition of Sister Mabel, who had been appointed Sister-in-Charge, Sister Isabel undertook much of the preliminary work, and managed the Orphanage for the first three months, with ability and complete satisfaction to the Committee. Sister Mabel took up her duties on July 1st, and has shown great enthusiasm in her work, and eminent fitness for it. We are glad to be able to report that her health has been apparently thoroughly restored. She is assisted by Sister Dora and Miss Johnson.

Six children were in residence at the time of opening. The number has been added to from time to time, and there are now thirteen inmates—nine boys and four girls. The Committee has given careful consideration to every application for admission, and has, for various reasons, declined many that were regarded as unsuitable. We desire it to be more widely understood that deserving children in every part of the South Island have a claim to admission.

The health of the children has been uniformly good, and their conduct has been satisfactory.

Considerable improvements have been effected in the property. The house has been enlarged and adapted for the purposes of an Orphanage, and the Church is now in possession of a magnificent property.

The ladies of the Christchurch Circuits have generously provided all the furniture, at a cost of £261, and have raised the whole of the money, with the exception of £14, still to be secured.

Upon relinquishing her temporary position at the Orphanage, Sister Isabel was appointed to canvass the Circuits of the South Island in the interests of the Institution. She made a very encouraging commencement in Christchurch, but upon the outbreak of war the Committee deemed it advisable to discontinue the canvass for a time. Sister Isabel took up the work again immediately after the Synod, and has visited several circuits, with gratifying results. The response to the Christmas appeal promises to be of a satisfactory character.

The Committee desires to thank the many friends of the Home who have contributed so liberally to its funds during the year.

# W. A. SINCLAIR,

Convener of Committee.

That the Conference Bibles and Albums of the former Methodist and Primitive Methodist Churches be kept in the office of the Connexional Secretary, and that a new Bible and Album be procured, in the latter of which shall be placed the photographs of the Presidents and the Vice-Presidents of the Conference from the date of Methodist Union.

#### QUESTION XLVIII.—What are the Resolutions of the Conference on Matters Previously Remitted to Synods or Committees for Report?

## A.—STATIONING COMMITTEE AND CONSTITUTION OF CONFERENCE.

Resolution of Last Conference.

That a Committee be appointed to consider and report to the September Quarterly Meetings, the forthcoming Synods, and the next Conference on the questions of Lay Representatives to the Stationing Committee being elected by their respective Synods, and the advisability of reducing the size and expense of the Conference by electing representatives thereto by the annual District Synods.

### REPORT OF COMMITTEE.

The Committee appointed to consider the advisability of reducing the size and expense of the Conference by electing Representatives thereto by the Annual District Synods, and the question of Lay Representatives to the Stationing Committee being elected by their respective Synods, submits the following report for the consideration of the September Circuit Quarterly Meetings pursuant to the direction of Conference:—

#### I .- CONSTITUTION OF CONFERENCE.

The Committee is of opinion:-

- 1. That the Conference is not too unwieldy at present, and in view of the importance of direct Circuit Representation being retained, it is inadvisable to reduce the size of Conference just yet.
- 2. That in order to reduce the expenses in connection with the holding of Conference, the Local Arrangements Committee should not be expected to provide luncheon for the Members of Conference.
- 3. That in addition to the evenings set apart for the Young People's Demonstration (to be held prior to the opening of Conference), the Opening of Conference, the Ordination Service, and the Home and Foreign Missionary Demonstration, not more than two other evenings should be set apart for local functions.

#### II.-LAY REPRESENTATIVES TO STATIONING COMMITTEE.

The Committee is of opinion that there is no occasion to make any change in the present method of electing Lay Members of the Stationing Committee.

J. A. FLESHER, Convener.

Christchurch, 21st September, 1914.

#### RESOLUTIONS.

#### I.-CONSTITUTION OF CONFERENCE.

- 1. That the Report be received.
- 2. That Recommendations 1 and 3 be adopted.
- That the first Monday evening of the Conference be left free for Conference business.

#### II.—LAY REPRESENTATIVES TO STATIONING COMMITTEE

The Report was received and adopted.

#### B .- THE FIVE YEARS' TERM.

- That this Conference confirms the provisions adopted by the Conference of 1914, as follows:—
  - That the law of the Church relating to the appointment of Ministers be altered so as to provide that any Minister being a member of the Conference may be appointed to the same chapel or chapels or premises year by year successively for any number of years without limit.

- Every proposal to make an appointment beyond five (5) years shall be regarded as a special case. A written statement of reasons, signed by the Circuit Stewards, shall be presented to Conference, and the Conference shall vote on each case, and the Stationing Committee shall not be permitted to station any Minister for more than five (5) years unless the proposal that it be regarded as a special case be carried by 55 per cent. of those present and voting.
- 2. That as doubt has arisen regarding the validity of the legislation providing for the granting of an extension of the term of appointments to Circuits by 55 per cent., unless the same is remitted to the Synods, and confirmed by the succeeding Conference, it is hereby resolved that the resolution providing for 55 per cent., instead of 75 per cent., be remitted to the forthcoming Synods for report to next Conference.

## C.—CONFERENCE REPRESENTATIVES' EXPENSES EQUALISATION FUND.

- That a Fund be established to assist in the payment of travelling expenses of the unofficial Ministerial and Lay Members of Conference.
- That no member of Conference shall participate whose train and steamer fares do not exceed the sum of £1 10s.
- 3. That all statements of Travelling Expenses to Conference be submitted to the Treasurers not later than the second day after the opening of Conference, and that no payment be made until Conference has been in session at least one week after the day on which Conference meets.
- 4. That the expenses to be taken into account shall be:—First-class steamer fare, first-class holiday railway fare, and coach fare.
- 5. That each member of Conference entitled to participate in the Fund shall supply the Ministerial Representative for his District with a detailed account of his travelling expenses.
- 6. That two persons be appointed to receive, audit and settle all accounts, who shall, in conjunction with the Treasurers of the Contingent Fund, have power to determine the amount to be paid to each participant in the Fund.
- 7. That a levy, not exceeding one per cent., be made through the Contingent Fund, on the amount of Circuit Expenditure as returned for that Fund, the amount so raised to be applied in reducing the travelling expenses of the unofficial members of Conference whose expenses exceed the sum of £1 10s., and to be divided amongst them pro rata according to the amount by which their expenses exceed the said sum.
- 8. That no change be made in the present method of paying the expenses of Official Representatives to Conference.
- That the expenses of Representatives of Departments or Funds be paid by the Departments or Funds they represent.
- 10. That the relation of Maori Ministers and Representatives to this Fund, together with the whole question of the status of Maori Ministers in Synod and Conference, be remitted to the Home Mission Executive for consideration, who shall report to the Synods and Conference. On this question, the Revs. T. G. Hammond and W. Slade shall be asked to send their views to the Executive.

#### D.-BOOK OF LAWS.

#### RESOLUTIONS.

- That the following be a Committee to publish the new Book of Laws, and to arrange for its sale:—Revs. S. Lawry, C. H. Laws, B.A., J. Cocker, W. A. Sinclair (Convener), Messrs. J. A. Flesher and F. Sheppard Green.
- That those parts of the new Book of Laws which relate to the formation, constitution, and powers of the Conference take the place of the First Schedule in the Model Deed.
- 3. That to obviate the necessity for printing in the Minutes of Conference all changes made in the Book of Laws, the new Book, as issued, be regarded and read as a part of the Minutes of Conference, and signed by the President and Secretary of Conference.
- 4. That the Treasurers of the Contingent Fund be authorised to make the necessary advances to meet the cost of printing and publishing the Book of Laws, and that all profits from the sale of the book be paid to that Fund, until the sum advanced has been repaid with interest at the current rate.
- 5. That the following amendments be made:-
  - (1). Lay Treasurers.—That where there is no Committee empowered to elect a substitute for a Lay Treasurer who has an ex-officio seat in the District Synod or Conference, the Chairman of the District have the power to nominate a substitute for attendance at the Synod, and that the substitute for attendance at Conference be elected at the Synod of which the Lay Treasurer in question is a member, and from the laymen who hold their Church membership in the District concerned.
  - (2). Leaders' Meetings.—That the following Question be added to the Order of Business for the Leaders' Meeting: "When and where shall the next meeting be held?"
  - That a special Leaders' Meeting may be summoned at any time by the Superintendent or one of his colleagues acting as his deputy. Should three or more members of a Leaders' Meeting present to the Superintendent a request for a special Leaders' Meeting, stating the business for which they wish such meeting to be called, the Superintendent or a colleague, as his deputy, shall summon such a meeting without delay. Where the business to be considered at a special Leaders' Meeting is of special importance, seven days' notice in writing, stating such business, shall be given to each person entitled to attend.

- (4). That provision be made whereby persons may be received into Church membership at a Communion Service as well as at the Church Meeting. (See Par. 13).
- (5). Insert the word "protracted" before the word "incapacity" in Par. 98, and add "if so notified by the Chairman of the District."

- (7) That the following be a new Question for the Quarterly Meetings: "Who are appointed auditors of the Circuit accounts?" (Sept.)

- (9) That in Par. 294 (e) the words be added, "or such other means of conveyance as may be necessary."
- (10) That a clause be inserted in the Book of Laws making it clear that, except when otherwise stated or implied, women are eligible for appointment to any official position in the Church.
- (11) That Law 165 (g) be amended by the addition of the words, "Provided always that the Minister has the right to veto any notice which may be deemed out of harmony with the sacredness of Christian Worship."

#### E. "NE TEMERE DECREE."

#### REPORT OF THE COMMITTEE.

During the year the members of this Committee have conferred with similar Committees, appointed by other Protestant bodies, for the purpose of considering the advisability of forming a Protestant Association, or Alliance, representative of all the Churches, through which united action may be taken, if necessary, to safeguard Protestant liberties; and for the promulgation of Protestant principles.

It was agreed that such an Association was desirable, and the following was suggested as a tentative platform:—

1. EDUCATION.—The instruction of young people in Protestant principles by the delivering of lectures, addresses, etc., and the distribution of suitable literature.

- 2. ELECTORAL.—To promote the candidature of Protestants, who will pledge themselves to support Protestant measures which may be brought before them for legislative adjustment, for all educational, civic, and national elections and appointments.
- 3. STATE AID.—To oppose the granting of State aid, and the holding of State scholarships in denominational schools and colleges.

The Presbyterian General Assembly has already, at its sessions in November last, considered the above proposals, approved the formation of the Association, and appointed its representatives thereon.

This Committee has duly considered the proposals, and recommends the Conference:—

To approve the formation of a Protestant Association on the lines indicated, and to appoint four representatives thereon.

PERCY J. COSSUM, Convener.

## I.—PASTORAL RESOLUTION FOR DISTRICT MINISTERIAL COMMITTEES.

#### OURSELVES AND OUR FAMILIES.

1. On this solemn occasion we devote ourselves afresh to God, and resolve, in humble dependence on His grace, to be more than ever attentive to our own spiritual life, to the Christian instruction of our children, and the government of our households.

We again resolve to consecrate ourselves wholly to God, and to give ourselves wholly to our work as the servants of Christ and His Church, guarding against all occupations of our time and energy which would injuriously divert our attention from the great task of "saving them that hear us," and taking care of the flock of Christ.

#### THE STUDY.

2. We resolve to seek a more complete preparation for the work of the ministry, by waiting upon God that we may be more abundantly filled with the Spirit. We "covet earnestly the best gifts" to qualify us for an effective and useful ministry. To this end we desire to improve our talents by close study, and diligent cultivation, so that each one of us may show himself "approved unto God."

#### THE PULPIT.

3. We are determined, in our public ministry, to preach constantly those vital doctrines of the Gospel which distinguished the early Methodists, giving to them a decided prominence in our sermons, and labouring to apply them lovingly and closely to the hearts of our hearers.

#### PASTORAL VISITATION.

4. We resolve to be diligent in pastoral visits to our people at their own houses, especially to the sick, the aged and infirm, the careless and the lukewarm; and to those who have been overtaken in a fault, or led astray, endeavouring to restore them in the spirit of meekness.

#### CARE OF THE YOUNG.

5. We recognise the importance of giving special attention to the young people of our congregations, and resolve to make every possible effort to win and keep them for Christ and His Church. By the formation of Junior Classes, and by personal intercourse with them, we desire to bring the children to personal decision for Christ, and to secure for them an abiding place in the Church.

#### SUNDAY-SCHOOLS.

6. In view of the extent and importance of the work of our Sunday-schools, we will give to them a due share of our pastoral oversight, attending as frequently as possible the meetings of teachers, and visiting, where practicable, each School under our charge at least once a quarter. And, while encouraging in all cases the most efficient methods of teaching to the children the Holy Scriptures, we desire to recognise the supreme opportunity afforded by the Sunday-school for obtaining direct and permanent spiritual results.

#### OPENING NEW PLACES.

7. We are resolved, wherever practicable, to open new preaching places, and to try again places which have not been recently visited, and to be increasingly attentive to the country places already on the Plan. We cannot be satisfied until all the people within our reach are provided with the means of grace and salvation. As Methodist Preachers, we are called to be, in point of enterprise, zeal, and diligence, Home Missionaries, whose duty is to extend, as well as keep, the Circuits to which we are appointed.

#### OPEN-AIR SERVICES.

8. In order to promote an increase in our congregations, and a revival of the work of God, we resolve to encourage the practice of preaching out of doors, and to promote such evangelistic efforts as shall keep alive the spirit and maintain the character of Methodism as an aggressive agency—seeking in order to save that which is lost.

#### CHURCH MEETINGS.

9. Recognising the importance of the entire membership of the Church being interested in its work and prosperity, we are resolved to make the best possible use of the Quarterly Church Meeting in both town and country. To this end it is desirable that such meetings should not be restricted to mere routine business, but that they be made interesting and profitable to the members of the Church, and opportunity should be taken to supply information as to the condition of the work of God in the several departments of Christian activity, and to consider matters of immediate importance to the Church.

#### MEMBERS' DUTIES.

10. Recognising that the strength and prosperity of the Church depend on the spirituality and faithfulness of its members, we resolve, as God shall help us, to build up our people in knowledge and holiness, and to exhort them to the constant performance of those duties which devolve upon them as members of Christ's Church. Especially we recognise the importance of reminding them of their duty in the following matters:—

#### FELLOWSHIP.

(1) We desire to urge upon all our members the duty and privilege of maintaining Christian fellowship, not only in their private intercourse, but also by joining in the social means of grace, uniting in their prayers, and encouraging one another by their testimony.

#### THE LORD'S SUPPER.

(2) We cannot too strongly encourage our people to a frequent and reverent observance of the Sacrament of the Lord's Supper. Christian parents and Sunday-school teachers should be reminded that this ordinance offers a specially favourable opportunity for our young people to make a public profession of their faith in Christ, and their determination to be His avowed disciples.

#### FAMILY RELIGION.

(3) There is special need at present to call the attention of our people to the important duty of maintaining family religion. The due observance of family worship, the dedication of children to Ged in baptism, teaching them early in life definitely to accept Jesus Christ as their Saviour and Lord, and training them in the practice of Christian virtues, are at once the greatest privileges and the most sacred duties of Christian parents; and they cannot be neglected without serious loss to the home and the Church.

That an additional Conference officer be appointed, on the nomination of the Secretary, to furnish Conference news to the Press Association, and to assist the reporters of the secular papers in their work.

#### THE WAR.

While deploring the appeal to brute force in differences between rational beings, and mourning over the horrors and miseries of the present world-wide conflict, this Conference is profoundly convinced that Great Britain, is absolutely innocent of the awful guilt of letting slip the dogs of war, and has a cause transparently just before God and the nations. We rejoice in the unanimity and loyalty of all parts of our far-flung Empire, and particularly of New Zealand, in supporting the Motherland in the hour of her need. We also rejoice in the valour and growing strength of the King's forces, and we join earnestly in prayer that God will defend the right, and cause the grinding militarism of Germany to cease from the earth. We regard the British Empire, with all its defects, as being, in practical righteousness, the largest instalment of the Kingdom of God that has yet arisen among men, and we earnestly pray that Almighty God will avert calamity from that dispensation of righteousness and liberty which it has been the glory of our Empire to spread over the world.

#### THE EXPEDITIONARY FORCE.

That this Conference notes, with intense satisfaction, the ready and willing response given by the young men of our Church in all parts of the Dominion, to the Empire's call. See also under Question XLII.

#### BIBLE IN SCHOOLS.

The Bible in Schools question, not having been considered (by the carrying of "the previous question,") it was resolved—"That this Conference regrets that the important question of Bible in Schools was

introduced at so late an hour, and in so thin a Conference that a vote on the question would have carried no public weight. In carrying 'the previous question' the Conference desires it to be known that such a vote is not to be regarded as a reversal of its former policy on this question."

#### APPOINTMENTS TO CONFERENCE COMMITTEES.

That a letter on a printed form be sent from the Conference to each newly-appointed member of a Connexional Committee.

### QUESTION LI.—When and Where shall the Next Conference be Held?

At Pitt Street Church, Auckland, on Thursday, February 24, 1916, at 7 p.m.

## PRESIDENTIAL RULING RE CHAIRMANSHIP OF CONNEXIONAL TRUSTS.

The President having been asked to give a ruling as to who is entitled to act as Chairman of the Meetings of Trustees of Properties settled under the provisions of the Model Deed, and regarded as Connexional rather than Local, consulted his Legal Adviser in regard to the matter, who advised as follows:

With reference to your enquiry as to who shall act as Chairman of the Meetings of Trustees of property settled under the provisions of the Model Deed, I beg to state that Clause 28 of the Model Deed of 1887 provides that the Superintendent Preacher for the time being of the Circuit in which the trust premises shall for the time being be situated, or his deputy thereunto from time to time by him nominated and appointed in writing, shall be the Chairman of and shall preside at, and shall have a vote as such Superintendent Preacher or deputy in meetings held under or by virtue of the Deed.

It will be noticed that the situation of the property settles the Chairmanship of Trustee Meetings. If it is thought desirable that the District Chairman should preside at meetings of Trustees of properties which are regarded as Connexional, although settled under the provisions of the Deed, it seems to me that the only way in which this can be done in cases where the property does not happen to be within the bounds of the Circuit of which the District Chairman is Superintendent, is by the Superintendent of the Circuit in which the property is situated, appointing the District Chairman as his deputy to preside at such meetings. This, of course, is a roundabout way of meeting the difficulty, but so far as I can see at the present time, is the only one open.

If it is thought advisable that the District Chairman should ex officio preside over the meetings of trustees of Connexional properties, though settled under the provisions of the Model Deed, it will be necessary to alter the law of the Church to provide for that being done.

J. A. FLESHER.

# THE ADDRESS OF THE NEW ZEALAND CONFERENCE TO THE AUSTRALIAN CONFERENCES ON THE CENTENARY OF AUSTRALIAN METHODISM.

Fathers and Brethren,-

You are this year commemorating an event that calls for grateful recognition from all parts of the Southern world. Seeing that New Zealand Methodism is the offspring of Australian Methodism there is special fitness in the congratulation we send you on your centenary celebrations. Samuel Leigh, the man whom God honoured in planting Methodism in Australia, was the man to whom the honour was extended of planting Methodism in New Zealand. With good reason, therefore, we rejoice with you in your joy as you review what God hath wrought in

Australia through the Methodist Church during the century now closing. Not only was New Zealand Methodism planted from Australia, but it owes much of its strength and growth to its association with Australia, and to the large number of men who have been drawn from Australia into its Ministry. It is a family joy in which we share as we survey with you the progress of Methodism through Australasia, and the island groups of the South Pacific. The missionary record of Australian Methodism takes rank among the noblest of any of the Churches of We congratulate you on the evidence afforded that Christendom. Methodism in Australia is by no means a spent force. You have magnificent opportunities opening out before you in the rapid growth of settlement, and you are facing them with a courage and a hopefulness of settlement, and you are facing them with a courage and a hope worthy of your best traditions. Although we are no longer joined with you by Connexional ties, we watch all your movements with sympathetic interest, and note every step of advance with grateful encouragement. We can have no doubt whatever that your Centenary Commemoration will become an occasion for a renewal of devotion to the great campaign of personal and social evangelism, for which we believe God called Methodism into existence, thereby ensuring that the spiritual conquests of the coming century will even eclipse those of the century now ended. We have requested our esteemed and beloved Precident, the Rev. J. Dawson, to convey to you in person, as far the century now ended. We have requested our esteemed and beloved President, the Rev. J. Dawson, to convey to you in person, as far as practicable, our cordial greeting, and congratulations, and we join fervently in the prayer that we may share with you in such gracious visitations of the outpouring of the Holy Spirit as shall make the Centenary Celebrations for ever memorable to all who are privileged to take part in them.

Signed on behalf and by order of the Conference,

JOHN DAWSON, President. HENRY HOLLAND, Vice-President. W. A. SINCLAIR, Secretary.

Christehurch, March 9th, 1915.
