QUESTION XI.—What Ministers or Probationers have Died since the last Conference?

William Kirk
Job Benning

WILLIAM KIRK was born on September 9th, 1825, at Epworth, Lincolnshire. From earliest years he loved the Saviour, early began to preach, and before he was twenty-one years of age was sent out as a missionary to New Zealand. His wife, daughter of the Rev John Hobbs, proved a sympathetic and invaluable helper in the work, and the Maoris have never forgotten the zealous and affectionate labours of Mr and Mrs Kirk to promote their highest good. On being transferred to the English work, Mr Kirk proved to be a wise administrator, a diligent and kindly pastor, and a faithful evangelical preacher. As a soul-winner, whose abiding results attest the thoroughness of his work, New Zealand has had no more successful preacher. The esteem of his brethren found expression in his election as President of the Conference.

In that office, and as Chairman of various Districts, his duties were discharged with characteristic thoroughness. For his brethren in the work he cherished the warmest attachment, and never spoke an uncharitable word about any. No one rejoiced more in their usefulness and welfare. Surrounded by members of his family, and cheered by their loving care, he fell asleep without a struggle, in his ninetieth year, and "was not, for God took him."

JOB BENNING was born at Wednesbury, in Staffordshire, in 1859. In early manhood he came to New Zealand, and shortly after arriving in the Dominion he joined the ranks of the Free Methodist Ministry, as a probationer. Later he attached himself to the Primitive Methodist Church, and exercised a useful ministry in several Circuits. Although unconventional in his methods, he was a man of sincere piety, and his greatest joy was that of winning men to God.

QUESTION XIII.—What Ministers now Become Supernumeraries?

1. John A. Luxford
George W. J. Spence
2. William Slade
T. Francis Jones
George T. Marshall
For one year.

(1) JOHN A. LUXFORD—

The ground on which Mr. Luxford is permitted to retire from the active work makes his case one of unique interest. After a successful course of thirty-seven years as a Circuit Minister, he volunteered as chaplain to the New Zealand forces that were sent to take part in the war against Germany, Austria and Turkey. In the discharge of his duties at Gallipoli he received an injury which necessitated the amputation of a leg. This, with a shock to his system, has compelled him to request to become a supernumerary. The Conference accedes to his request with regret, and at the same time congratulates him on his honourable record in every phase of his ministry. As a Circuit Minister he gave full proof of an all-round efficiency. As a chaplain his praise is on the lips of all who have been associated with him both in camp and in action. The fact that he has been honourably mentioned in despatches by General Sir Ian Hamilton shows how his faithful devotion to duty has been appreciated in high quarters. The Conference assures Mr Luxford of its cordial sympathy and esteem, and prays that God may crown the strenuous years of labour with many years of comfort and peace.

(2) GEORGE W. J. SPENCE—

On the ground of ill-health, George W. J. Spence becomes a Supernumerary after a ministry of thirty-seven years. The Conference deeply regrets his inability further to continue his active service, and expresses its deep sense of the value of the work he has rendered to the Church during this long period. His ministry has at all times been marked by unselfish devotion and untiring zeal, and has been attended with much success. As a preacher, pastor and administrator he has earned a good degree. In 1911 he was the honoured President of the Conference. As chairman of the Wanganui and South Auckland Districts, and by his unfailing Christian courtesy and brotherliness and kindly counsels, he has won the abiding esteem and affection of his brethren in the ministry. In his retirement he is followed with the earnest hope and prayer that a long and peaceful eventide may be assured unto him.

For fifteen years he has rendered faithful and valuable service as minister, pastor and lecturer. In the various Circuits where he has laboured he has won the esteem and confidence of his office-bearers and the members and adherents of the Church. He leaves with the affection and esteem of his brethren in the ministry, and the Conference assures him that he will be followed with best wishes and earnest prayers for his happiness and success in the remaining years of his ministry.

QUESTION XXIX.—What are the Resolutions of the Conference on the Welfare of the Church?

REPORT OF THE WELFARE OF THE CHURCH COMMITTEE.

STATISTICAL RETURNS.

In presenting the annual General Returns we gladly report an increase of 277 Church members and 483 Junior members. It is, however, puzzling to note a decrease of 250 in the returns given of attendants on public worship. The return of Infant members made for the first time this year is such that no reliable total can be submitted. Many Circuits make no return, and the figures supplied are in some cases so small and in other cases so large that it is evident that there has been something lacking in the method adopted in making the return. It will be necessary for Conference to fix an age limit for infant members, and then if the regulations are carefully carried out there should be no difficulty in supplying a trustworthy report.

While rejoicing in the increase of 483 Junior Members, we regret to learn that so many Sunday-schools return no scholars as received into Church membership during the year. We join with the S.S. and Young People's Board in emphasising the need for a closer spiritual co-operation between the Sunday-school and the Church, and such a patient fostering of the religious life of the young, that year by year large numbers of our Scholars and Junior Members may be publicly admitted into the full membership of the Church.

THE NEED OF THE CHURCH AND HOW TO PROMOTE IT.

Recognising with gratitude, tokens of good in respect to the "Welfare of the Church," we are profoundly convinced that there is need for a great and general quickening, and a marked increase in spiritual effectiveness. With a view to promote this, we have no new methods or principles to advocate, but we desire to place fresh emphasis on the following essential conditions of true success and prosperity:—

1. A fuller surrender on the part of Ministers, and members, and the Church in general, to the personal governance of the Holy Spirit.
2. The adoption of practical and well-considered means for the realisation and expression of the corporate life of the Church.

3. More effective and systematic efforts to utilise the latent resources of the Church for reaching individuals and families now out of touch with the Church, and apparently drifted or drifting into irreligion
4. The faithful carrying out of the recent legislation relating to the Sunday-school and Church Membership.

Your Committee strongly recommends that a special use should be made this year of the Festival of Whitsuntide, and that Conference should appoint the week commencing on Whit Sunday, June 11th, as a sacred season of Prayer and Intercession, and for the holding of special Convocations or inspirational services, for the deepening of the devotional life, and for promoting the highest welfare and increased effectiveness of the Church.

Signed on behalf of the Committee.

E. DRAKE, Chairman.

S. GRIFFITH, Secretary.

RESOLUTIONS.

1. In adopting the Report, Conference acknowledges with thankfulness to God many tokens of good, manifest in the life and work of the Church. We clearly recognise, however, that there is need for a great and general quickening, and a marked increase of spiritual effectiveness, that we may fulfil the great purpose of our existence and worthily meet the special needs, perils and opportunities of this prolonged period of war. To these ends the Conference urges upon all its Ministers, office-bearers and members a deepened spirituality and a full surrender to the governance of the Holy Spirit; also, that renewed endeavours be made to actualize the corporate life of the Church, in worship, in the communion of saints, and in practical Christian philanthropy. The Conference is convinced that if full use were made of the latent working forces of the Church, large numbers of our fellow-citizens might be reached who are now untouched by any Christian agency; and for this purpose, we again urge the formation in all our churches of bands of workers willing to co-operate in the work of the Lord. The Conference requests that every effort be made so that in Leaders' Meetings and Quarterly Meetings as much time as possible may be secured for the earnest and unhurried consideration of the directly spiritual aspects of our work. With a view to promote a richer realisation of the ministry of the Holy Spirit, by Whom alone true revival can be secured, the Conference directs that this year there shall be a special celebration of Whitsuntide, and appoints the week commencing on Whitsunday, June 11, as a sacred season of Prayer and Intercession, during which special conventions or inspirational services shall be held for the deepening of the devotional life, and for promoting the increased effectiveness of the Church.
2. That the thanks of the Conference be given to the Committee for their services during the past year, and that the following be the Committee for the ensuing year:—The Ministers of the Dunedin and Suburban Circuits, Messrs. E. Rosevear, D. C. Cameron, W. King, J. P. Simon, J. B. Shacklock, J. D. Weir, I. Winton. A. E. Stevens, C. White, E. W. Isbister, and J. H. Malcolm. Convener, Rev. R. Raine.

3. That in each District an Evangelistic Committee be set up to co-operate with the Welfare of the Church Committee, and with Circuits and Home Mission Stations in the District, in arranging for periodical Evangelistic Missions, and in fostering, by all possible means, an earnest evangelism throughout the Dominion.
4. That the Home Mission District Advisory Committees (other than in Otago), be the District Committees for the ensuing year.
5. That the President be requested to publish in the Connexional Paper an inspirational address to the members and adherents of the Church.

REV. VAL. TRIGGE'S MISSION TOUR, 1916-17.

Report of the Committee.

The Itinerary to be presented to Conference, and which will commence in the North in April next, and work South, at present includes the following places, viz.:—Port Albert, Pitt Street, Auckland Methodist Mission, Hamilton, Hawera, Woodville, Waipawa, Hastings, Wellington South, Blenheim, Nelson, East Belt (Christchurch), Woolston, Sydenham, Rangiora, Ashburton, Timaru, and Mornington. Dunedin Central Mission, probably, will also be visited. This will leave time for three or four Missions to be held in smaller places, with the help of the Auxiliary Fund.

FINANCE.

Expenditure.

	£
Stipend (as in Victoria)	300
Travelling to and from Australia	25
Travelling in New Zealand	20
Connexional Charges	35
Petty Expenses	5
	£385

To meet this a minimum charge varying from £15 to £20 is being made for each ten-day Mission, but Circuits, especially the stronger ones, are requested to note that about £30 will be required above the total minimum charges. The Committee recommends that any final deficiency be paid by the Contingent Fund, and that the Treasurer of the Contingent Fund be authorised to advance any preliminary expenses. Circuits are requested to forward payments promptly after the close of each Mission, to the Treasurer, Mr E. Rosevear, Castle Street, Dunedin.

Printing.—The Committee is printing a large Poster and a Window Bill, and will supply Circuits at cost price.

E. DRAKE. Chairman.

S. GRIFFITH, Secretary.

RESOLUTIONS.

1. That the Report be received and adopted.
2. That the services of the Rev. Val Triggs be accepted for the whole of the connexional year, and that the financial arrangements of the Committee be confirmed, including a minimum charge for each ten-day mission, varying from £15 to £20.

3. In view of the difficulty of arranging missions in the summer months, and also with a view to Mr. Trigge being free to conduct seaside missions, and to visit localities financially weak, it is imperative that a Guarantee Fund of at least one hundred pounds be raised. The Conference requests that a prompt response be made to this need. Relying on the liberality of our people, Conference accepts the ultimate responsibility of the campaign.
4. The Conference extends to the Rev. Val Trigge a cordial welcome, and, gratefully remembering his fruitful labours in 1913, commends his work this year to the prayers and co-operation of our people.

QUESTION XXX.—What are the Resolutions of the Conference respecting our Sunday Schools and the Youth of the Church?

The Report of the Sunday-school and Young People's Board was presented and received. The Balance-sheet was received and adopted.

RESOLUTIONS.

1. That the action of the Board in providing a duplicate schedule of Sunday-school and Young People's Returns for annual submission to the Quarterly Meeting be approved, but that the matter of the set of questions for the guidance of the Quarterly Meeting on work relating to the Youth of the Church, be again referred to the Board for consideration.
2. That, provided the Leaders' Meeting is satisfied as to their fitness, Infant Members be transferred to the Junior Roll at the age of eight years, and that Junior Members, subject to the same proviso, be transferred to the Senior Roll, after instruction in preparatory classes, at not later than sixteen years of age, at a public recognition service, such service to be fully provided for in the new Book of Offices.
3. The Conference congratulates the teachers who have this year qualified for the Diploma, but regrets that greater advantage is not taken of this excellent Training Course. It recommends that Ministers and Sunday-school Superintendents be urged to make fresh efforts to bring its claims before the teachers of our schools.
4. That Rev. E. P. Blamires be heartily thanked for his services as Examiner, and that he be reappointed.
5. That, in the event of the Synod Representative for Sunday-schools appointed by Conference being unable to attend the Synod, the Chairman of the District shall have power to appoint a substitute on the nomination of the District Committee.
6. That Annual and Quarterly Tickets for Junior Members be issued, and that it shall be optional which ticket is used by our Societies, the Leaders' Meeting to determine the matter.
7. That the attention of our Sunday-schools be directed to the Conference recommendation re Rolls of Honour, Minutes of Conference, 1915, page 106, par. 7, which shall now read, "That all our churches and Sunday-schools be recommended to procure a Roll of Honour."

8. That with a view to centralisation, the Secretary of Conference shall in future control the distribution of all Membership and Baptismal Tickets.
9. That the attention of Sunday-school Superintendents be drawn to the fact that in December, 1917, the present series of Uniform International Lessons, issued jointly by Britain and America, will be completed, and thereafter the British International Lessons will be quite different from the American. The Sunday-school Board will present a special report to next Conference.
10. That the Board meet in Dunedin in 1916.
11. That the following be the members of the Board for 1916:—The Circuit Ministers and S.S. Superintendents of the Dunedin City and Suburban Circuits; three representatives to be elected by the Y.M.B.C. Union, and three to be elected by the Y.W.B.C. Union; Miss W. Isitt, Messrs. W. Paris, F. W. Parker, J. Davidson, W. Kaler, W. W. Ashby, J. H. Brown, W. King, A. Pearce, E. Aslin, H. Chapman, A. H. Reed and D. C. Cameron, Junr. (appointed by the Conference).
12. That the sum of £30 be granted from the Contingent Fund to meet the expenses of the Board, if required.
13. That, if the Board think it advisable, a Dominion Convention be held this year, the time and place to be left with the Board.
14. That the revision of the Catechism, with a view to its being made more attractive to the Youth of the Church, be referred to the Board for consideration.
15. That while recommending the Wesley Guild to our people, the Conference affirms its conviction that the Christian Endeavour Society has by no means outlived its usefulness, and advises churches to foster its maintenance wherever possible.
16. That while pleased to report an increase of teachers and junior members, the Conference regrets to note decreases in the number of scholars, scholars who are Church members, scholars received into Church membership during the year, and in the membership of the Young Men's and Young Women's Bible Classes. While there are satisfactory explanations of some of these decreases, the Conference urges upon all those engaged in Sunday-school work increasing zeal and faithfulness, that errors may be corrected and weaknesses repaired.
17. That all baptised children of members and adherents of the Church, whose parents consent thereto, be regarded as infant members of the Church.
18. That the matter of preparing a brief statement of the value and importance of the Lord's Supper, for use among junior and adult members, be referred to the Literature Committee for consideration.
19. That the Conference regrets that our Sunday-schools are slow to adopt the graded system of organisation and the International Graded Lessons, and in view of the soundness of the principle, it strongly urges the Schools to make at least a beginning by organising the Primary and Junior Departments with graded lessons.

20. That Ministers and Leaders' Meetings be earnestly requested to give complete effect, as early as possible, to the Conference legislation relating to Infant and Junior Members. (See Minutes, 1914, pp. 51-52.)
21. That the Conference recommend schools to adopt the system of grading recognised by the International Sunday-schools Association:—Cradle Roll, under school age; Beginners, 3-5; Primary, 6-9; Junior, 10-13; Intermediate, 13-15; Senior, 16-18; Adult, over 18; Home Department, all ages; and that schools grading by public schools standards form departments corresponding with the above.
22. That the Conference endorse the policy of teacher-training, and adopt Hurlbut's Teacher Training Course as the text-book. It empowers the Board to appoint an examiner or examiners; it directs that an examination shall take place twice yearly, in May and November; and approves of the following pass marks:—Pass, 60 per cent.; Second Class Honours, 75 per cent.; First Class Honours, 85 per cent.
23. That the following information be brought prominently before our schools:—For £3 a Native student or an orphan may be supported for one year; for £10 a Native teacher may be supported for one year; for £20 a Native Minister may be supported for one year.
24. That schools be recommended to adopt a supplemental (or fundamental) course of Bible Study, which shall include memorising the names of the Books of the Bible, the Commandments, Beatitudes, and other special portions of Scripture, the questions of the Catechism, and Church Hymns, Bible history, geography, institutions; and that in this course, the "Hammond Sunday School Manual" be used. The Conference also recommends that portions of Scripture, etc., be recited in full school.
25. That this Conference recommends our schools to mark on a percentage basis, and decides that the Conference Diploma be granted to scholars gaining 90 per cent. of marks gained for attendance at school, attendance at church, punctuality, conduct and lessons learned, excluding all marks otherwise awarded.
26. That the Statistical Secretaries forward their returns, together with a report on the state of the schools within their respective Districts, immediately after the Synods, to the Secretary of the Connexional Board, who shall prepare a Sunday-school Report of the whole Dominion to be laid before the Annual Conference.
27. That Young People's Day be observed on the third Sunday in May, and that the third Sunday in October be observed as the Universal Day of Prayer for Sunday-schools. On Young People's Day, throughout the Circuits, special services shall be held for the young, with a view to leading them to decision for Christ, or rededication to Christ; and that, as far as practicable, the Chairman of Districts and Superintendents of Circuits so arrange Mission deputations and Anniversary Services as not to interfere with the Sunday so appointed; also, that more general use be made of the Order of Service issued by the Connexional Board.
28. That a Quarterly Temperance Sunday be observed in all our Sunday-schools, on the day of the Temperance lesson as provided for in the International Series of Lessons; that an address by a com-

petent person be given, dealing with Temperance, Gambling, the Evils of Juvenile Smoking, etc.; that special music and suitable recitations be provided by the scholars; and that pledges be taken.

29. That on at least one Sunday in every quarter special attention shall be given to the subject of Foreign Missions.
30. That the Superintendents of Circuits, in preparing the Sunday-school returns, shall include in the Circuit totals the Methodist teachers and scholars who are attached to undenominational schools.
31. That definite teaching on the fundamental principles and history of Protestantism be given in the Methodist Sunday-schools of the Dominion.
32. That the Conference heartily commends the Young Worshipers' League to our Ministers, and urges the establishment of such Leagues in connection with all our churches.

QUESTION XXXI.—What are the resolutions of the Conference with regard to Temperance and Public Morals?

The Report of the Committee was received.

RESOLUTIONS.

1. Gambling.

- (a) The Conference views with alarm the increasing mania for gambling in the community, and condemns the evil principle of State legislation under which Totalisator Betting, Art Unions and Raffles flourish in our midst. It expresses profound regret that, in the guise of Patriotism, license should have been given by those in authority to unworthy methods of raising money for our soldiers. Whilst recommending the members and adherents of our Church to support liberally all legitimate means of raising funds for Patriotic purposes, it strongly urges them to discountenance all forms of gambling as being vicious and detrimental to the best interests of the State.
- (b) In view of the swift and insidious growth of gambling in the Dominion, the Conference impresses upon the Ministers, Sunday-school Superintendents and Junior Leaders of our Church, the necessity for giving definite instruction to the scholars of our Sunday-schools on the evils of gambling.

2. Sabbath Observance.

- (a) That in view of the widespread desecration of the Sabbath, this Conference requests Ministers, Local Prachers, Sunday-school teachers, and members generally to emphasise the necessity of a clearer recognition of the sanctity of the day, and the importance of employing its hours for spiritual purposes.

- (b) That this Conference views with increasing concern the fact that many of our people, through abusing the leisure of week-end trips, are becoming more and more detached from Church life and the rightful observance of the Sabbath, greatly endangering thereby the family welfare. This Conference urges our people to do all that is possible to prevent any neglect of worship, and to secure the reverent observance of Sunday as a day of rest.
- (c) The Conference recommends that the last Sunday in October be a Sabbath Observance Day, when the sacred character and obligation of the day be emphasised in pulpits, Sunday-schools, and Bible Classes, and directs that this resolution be read to all congregations on the day named.
- (d) That the Committee on Temperance and Public Morals be requested to secure suitable literature on Sabbath Observance, for distribution.

3. Censorship of Pictures.—

That, realising the incalculable harm wrought by the class of morbid and morally unhealthy pictures shown in many of our Picture Theatres, Conference heartily co-operates with other Churches and organisations in urging that the Government should establish a strict censorship on all pictures before being screened. (A copy of the above to be sent to the Minister for Internal Affairs.)

4. Temperance.

The Conference, while deeply deploring the awful European War, rejoices that it has more clearly revealed to the nations involved, the demoralising effects of intoxicating liquor. The almost magical success of Prohibition in Russia, the wholly favourable results accruing from the respective legislation adopted in Great Britain, France and the Australian States, the noble example set by King George and followed by Lord Kitchener and many other notable leaders throughout the Empire—all these signs inspire us with thankfulness to God and renewed enthusiasm for this great cause. We grieve that our own Government has been laggard, making no effort in this time of national testing towards diminishing the wasteful and highly injurious effects of the traffic in strong drink. We respectfully urge that it is not yet too late to come into line with other parts of the Empire, and earnestly call upon the Government to legislate so that "shouting" shall be made illegal and all hotel bars closed at 6 p.m.

5. Bands of Hope.

Conference urges upon Ministers and Sunday-school workers the necessity of reviving the interest of our young people in the Band of Hope Movement. In addition to week-night organisation, or where week-night meetings are impracticable, it recommends that a Temperance lesson be given by the Minister or some other competent person once a quarter on Sunday afternoon before the whole school, and that the young people on such occasion be invited to sign Pledge Cards.

6. Temperance During the War.

That this Conference urges upon the National Government through the Prime Minister—

1. The adoption of the same regulation against "shouting" as obtains in England under the "Defence of the Realm Act."
2. That during the progress of the war hotel bars shall be closed at 6 p.m.
3. That these be given effect to by the passing of regulations under the War Act, without delay.
7. That this Conference of the Methodist Church strongly protests against the establishment of wet canteens in the military camps, believing that they would lead to an increase in drinking among the soldiers; it objects to a temptation being placed before the young men and believes it would retard recruiting. In the interests of efficiency among our soldiers and of the successful prosecution of the war, it urges the Government to adhere to its decision to have dry canteens in all military camps.
8. That the thanks of the Conference be presented to the retiring Committee, and that the following be the Committee for the ensuing year:—The ex-President of the Conference, the Ministers of Wellington Taranaki Street, Wellington South, Thorndon, Petone, Hutt and Johnsonville Circuits, Messrs. C. M. Luke J. Lomas, T. Sims, W. J. Hellyer, E. Kellow, B. J. Lynneberg, H. Oxley, M. Cable, E. Dawson, W. I. Clark, W. Hollis Cocker, J. Raine, G. Petherick, J. H. White, R. G. Denton, Colonel Mackintosh, W. E. Redstone, J. Richards, Mesdames J. L. Wright and Boxall. Convener, Rev. J. Richards.

QUESTION XXXII.—What are the Resolutions of the Conference respecting Church and other Properties?

A. GENERAL REPORT ON CHURCH PROPERTY FOR THE YEAR 1915.

The General Secretary has pleasure in reporting that most of the District Secretaries' Reports and Schedules came to hand in good time, and the latest was ten days earlier than the date on which the latest one was received last year. Probably on account of the failure of the Secretary's health, the Summary of the "A" Schedules for the Auckland District did not come to hand. In the case of the Taranaki-Wanganui District there was no Report from the Secretary, no Summary of the "A" Schedules, and the "B" Summary was incomplete. A letter from the Secretary stated that he could not complete his Returns, as all the Circuit Schedules had not reached him when he sent on to the District Chairman those which had come to hand. For some unexplained reason these Schedules were retained by the District Synod officials for some six weeks after the close of the Synod; and the General Secretary had to correct and complete some of the entries from records which happened to be in the office. Several of the District Secretaries complain of the late date on which Schedules are sent to them. Circuit Superintendents should really

try to comply with these repeated requests, and send in their returns with some degree of promptitude.

Attention is also called to the lack of accuracy in many of the returns. In the absence of the Trust Books neither the District Secretaries nor the General Secretary can audit the accounts. The Trust Deed requires that the accounts be audited by the Superintendent Minister and the Circuit Stewards or their deputies. In most cases the accounts are so comparatively small and simple in their character that auditing should be a very easy matter. But accounts are signed as correct which are manifestly incorrect. In such items as Balances brought forward from the preceding year there are glaring inaccuracies. South Canterbury and Southland Districts are the only ones in which all the Credit balances given in the Returns for 1914 agree with those brought forward in the Returns for 1915. In one District there is a difference in the total of more than £300. The Debit balances show still greater discrepancies. Southland is the only District in which there is complete agreement between the Debit balances carried forward in 1914 and those brought forward in 1915. In one District the total difference amounts to more than £450. These facts, to say nothing of frequent errors in addition, indicate that both the book-keeping and the auditing are at fault. The remedy may not be easy to find or to apply, but something may surely be done by a more careful oversight by the responsible auditors.

Some of the Returns do not include all the facts that ought to be reported. This applies particularly to the Schedules dealing with new enterprises. Sometimes properties acquired after September 30th. appear to be forgotten by the time the next year's Returns have to be made up. In some cases the acquisition of property is not reported because the legal documents have not been received from the Solicitor. This is a very insufficient reason. If there are any documents which give the Church a legal claim on the property it should be reported without waiting for the completion of the transfer. The sale of Property appears to be frequently forgotten when the time comes for making up the annual Returns. Of the cases included in this Report about one-half has to be supplied by the General Secretary from information furnished during the year to the Loan Fund Committee. This is often incomplete, and should not be relied on.

There are some Home Mission Stations which have not sent in any Returns. Possibly in some cases there is no Home Missionary, although there should be some one in charge of the Trust accounts. The following are the Stations from which there are no Returns to hand:—Coromandel, Rawene, Kohukohu, Whakatane, Te Puke, Runanga, Tuatapere. The addition of the Returns from these places would make a considerable difference to some of the totals given. No returns are given of Connexional Properties, nor of properties on Maori Mission Stations. It may be worth while comparing some of the totals for 1915 with those of 1914. The freehold sites acquired are sixteen as against eight last year, and eight new churches are erected as against seven in the previous year. There have been three new Parsonages erected, as against seven in 1914. Enlargements and other improvements have cost about £2500 less than in 1914. The total Trust income reported is nearly £1600 more than in 1914. Credit Balances on current accounts have increased by £350, and the Debit Balances remain nearly the same as last year.

The District Secretaries call attention in their Reports to a few cases where the finance is not quite satisfactory. Te Kuiti reports

a debt of £928, although the cost of the building is stated to have been only £850. The land cost £250. This is a case in which the advice of the Loan Fund Committee was ignored, and the result means a heavy financial burden for years to come. In Dunedin the position of the Central Mission and St. Kilda Trusts will require careful handling to avoid difficulty in days to come.

The Anderson's Bay Property has been sold, and when all assets are realised there will be considerable liabilities to the Loan Fund and the Fire Insurance Fund. Some steps should be taken to deal with these other than the too easy method of writing off the amounts as bad debts.

I desire to acknowledge the great care and labour bestowed on their work by the District Secretaries. Their work is not of the most pleasant nature, and often involves sincere criticism when they would more gladly commend. The Reports which have been sent to the General Secretary show that an earnest endeavour is made to discover the actual position of each Trust account. Much good advice is tendered. Good work is noted, and enterprise is encouraged. These brethren deserve the thanks of the Conference, and the hearty support of all who are responsible for the finances of the various Church properties.

III.—ENLARGEMENTS AND MINOR IMPROVEMENTS.

As many items are returned under this head which apparently should be placed under the heading of "Alterations and Repairs," and as a great many others are not particularised, there seems to be no adequate reason for setting these out in the imperfect detail which would be the best possible in the circumstances. Probably it will be sufficient if the total for each District is given, as reported by the District Secretaries; this is as follows:—Auckland District, £805 17s. 8d.; South Auckland, £3014 16s.; Taranaki-Wanganui, £342 5s. 5d.; Hawke's Bay-Manawatu, £1823 5s. 8d.; Wellington, £325 11s. 9d.; Nelson, £62 11s. 11d.; North Canterbury, £717 13s. 8d.; South Canterbury, £848 14s. 8d.; Otago, £1602 8s. 9d.; Southland, £436 10s.; Total, £9,979 15s. 6d.

B.—CHURCH BUILDING AND LOAN FUND.

REPORT OF COMMITTEE, 1915.

1. During the year the following Loans have been advanced:—

(1) From the General Fund—		£	s.	d.
Murchison Church	...	100	0	0
New Brighton Church	...	150	0	0
Ohoka Parsonage	...	200	0	0
Kaiapoi Parsonage	...	400	0	0
Mosgiel Parsonage	...	350	0	0
Invercargill Jubilee Sunday-school Hall	...	300	0	0
		1500	0	0
(2) From the Special Branch—				
South Spreydon, balance purchase of site	...	107	5	0
Douglas Parsonage and site	...	100	0	0
Rawene, Purchase of Land	...	25	0	0
Urenui Church	...	50	0	0
		282	5	0

The total, £1782 5s., is considerably less than the average amount advanced annually. The difference is to be accounted for partly by numerous overdue instalments of repayments, especially in the early part of the year, and partly by the failure of some of those to whom Loans have been promised to comply with the stipulated conditions. A very large number of Loans have been promised, and will be advanced when the conditions are fulfilled, as far as Funds will allow.

2. A full statement of all Loans current in each District was sent to the respective Synods last November. Special attention was called to all cases where the repayments were seriously in arrears. The Reports from the Synods show that these cases received careful consideration. In some cases the Committee is re-arranging the terms of repayment, so as to bring them within the possibilities created by circumstances which have materially altered since the Loans were advanced. The total amount of arrears due on January 10th, 1916, was £1450 6s. 8d., spread over 49 cases. Several items have been paid since the above date, and others are less than three months overdue.

The usual Annual Circulars requesting contributions by Trust Boards to the working expenses of the Fund were sent out by the Treasurers. These do not always elicit the response that might reasonably be expected. Some of the largest Churches in the Dominion have not made any contribution for several years past, and these include some which have had the benefit of large loans from the Fund. As the

Connexional Office does a large amount of work in connection with Trust Property, for which no charge is made, it is only reasonable that an annual contribution should be made by all Trust Boards with a regular income.

3. There are a few special cases of arrears which call for consideration by the Conference, as well as by the District Synods concerned. In 1899 two Loans, amounting to £275, were advanced in connection with the building of the Coromandel Church. This was in addition to the amounts advanced in connection with the Parsonage, which was subsequently sold, the deficiency due to the Loan Fund being met by the Conference authorising special payments from the Home Mission and Contingent Funds. Of the two Loans now under consideration, £46 19s. 6d. has been repaid, the last payment having been made in January, 1901. There seems no hope of the local congregation being able to pay this off within a reasonable time. At Kuaotunu, in the same circuit, there is a debt of £57 19s. 6d., the balance of a loan of £120, advanced in 1897, and no repayment has been made since November, 1903. The debt on the Eketahuna Parsonage has been rearranged, and it is hoped that this long-standing difficulty will now be dealt with satisfactorily. But there is still a balance of £101 15s. 6d. on a loan of £175 on the Church, the repayment of which should have been completed in 1907. The only other case that requires attention under this head is that of Runanga. A loan of £100 was advanced in 1909, repayable in eight years. During two years repayment was made according to agreement, but nothing has been paid off since November, 1911. On several occasions the Home Missionary has written, stating that money would be sent within a few days, but nothing has been received. The excuse given to the District Synod is that the reduction of the Home Mission grant has made it necessary to concentrate all their effort on raising money for the Circuit Fund. But this hardly seems to account for four years' default.

4. In accordance with the resolution of the last Conference, the Treasurers have written off the sum of £66 due to the Fund on account of the Glenroy Church.

5. The Committee appointed by last Conference to consider the case of Huiakama does not advise the constitution of a local Trust, but recommends that the Loan Fund Committee take over all responsibility. If the Church is to be kept open and services supplied, it does not appear practicable for the administration of the finances to be undertaken by the Committee. If it is thought desirable to dispose of the property, then the Trustees and the Quarterly Meeting should seek permission in the usual way, and endeavour to secure a purchaser for the property. The Committee can see no reason why it should be asked to assume the responsibility of administering the affairs of this Trust.

6. The Wellington District Synod recommends that the sum of £14 18s. 0d., due to the Fund on account of a loan advanced to the Trustees of the Primitive Methodist Church at Island Bay, should be written off. This is the amount left unpaid after discharging all other debts when the property was sold.

7. The Commission appointed by last Conference to report on the Anderson's Bay Trust considered the matter, and recommended that the property be sold. The Church Building and Loan Fund Committee consented to the sale of the property for £610, without the windows, interior fittings, and furniture valued at £140, and added, "This consent is given on the distinct understanding that the Trustees will

within a reasonable time discharge the balance of the liabilities not provided for by the money derived from the sale of the property." The liabilities at present are £46 6s. 4d., due to the Loan Fund, and £150 9s. due to the Fire Insurance Fund. Of the latter amount £19 5s. is due for interest.

8. The duty of nominating the Committee devolves on the North Canterbury District Synod.

9. In addition to the transactions referred to in the General Report on Church Property, the following have been dealt with by the Committee:—

The following Sales and Extended Leases have been sanctioned by the Committee:—(N.B.—Sanction lapses if not acted on by December 31st, 1916.)

3. That the thanks of Conference be presented to Mr. J. A. Flesher for his services as Lay Treasurer of the Fund, and that he be re-appointed.
4. That Mr. H. Holland, retiring member of the Committee, be thanked for his valuable services.
5. That only the actual amount received by the Special Branch of the Fund on account of working expenses be paid towards the Secretary's stipend.
6. That all cases where Trustees have entered upon undertakings without receiving the sanction of the Committee be reported to Conference.
7. That the Committee be recommended to require that the foundations for all buildings to be erected be of either brick or concrete.
8. EKETAHUNA.—That the Church Building and Loan Fund Committee's suggestion re repayment of £200 be approved.
9. ISLAND BAY (Primitive Methodist Church).—That the amount of £8 18s. 0d., plus working expenses — a total of £14 18s. 0d.—owing after the sale of the church, be written off by the Church Building and Loan Fund Committee.

10. **BLACKBALL.**—That the Loan Fund Committee be authorised to write off the amount due in connection with the Blackball lease.
11. **RUNANGA.**—That the request of the Runanga Trustees re the wiping off of their liability be not entertained, and that the Trustees be reminded that they are morally bound to fulfil their obligation.
12. **COROMANDEL AND KUAOTUNA.**—That the Chairman visit these Districts and endeavour to induce the local people to discharge the liabilities.
13. **HUIAKAMA.**—That the recommendation of the Church Building and Loan Fund Committee be sustained, viz.:—"That if it is thought desirable to dispose of the property, the Trustees and Quarterly Meeting should seek permission in the usual way."

C. REPORT OF AUTHORISED REPRESENTATIVE, 1915.

The names of all Trustees placed on the Register, and the names of all removed therefrom are sent in due course to the Superintendents of the Circuits concerned. A detailed report of the transactions in each district has also been sent to the several Synods. There is, therefore, no need to repeat these details in this Report.

During the year attention has again been drawn to several cases in which there has been no revision of the list of Trustees for many years. The names of a large number of deceased persons are allowed to continue on the Register, and presumably these remain in the Circuit Schedule Books. In some cases where there is property of considerable value it is doubtful if there is a legal trust. This applies to at least one case of Connexional property whose accounts are annually reported to this Conference. It is not within the province of the Authorised Representative to enquire how such a property is administered, but it is evident that where there is no legal trust the administration must be largely in the hands of persons without legal responsibility.

From time to time there are evidences forthcoming of failure to observe the rule requiring all resignations of Trustees, and removals from the Trust for other causes, to be duly notified to the Authorised Representative. It must be distinctly observed that removals from the Trust do not take effect until the Superintendent of the Circuit has been notified that the names have been removed from the Register. Also, the appointment of Trustees is not complete until the notification of the fact that their names have been entered on the Register has been sent by the Authorised Representative. And, of course, till then they are not entitled to act as Trustees.

In view of the Report of the Committee on Connexional Offices, it may be as well to point out that with the present scale of fees it is impossible at present to pay to the Connexional Secretaryship Fund more than £30 a year. Although during the year the outstanding accounts have been reduced from £8 18s., as reported last Conference, to £2 17s. 6d., which is the amount now due, the receipts for the year have exceeded the expenditure by only £1 18s. 10d. It may be noted in this connection that no charge is made for the removal of names from the Register of Trustees, nor for supplying lists of Trustees when desired for any other than legal purposes.

The following is the Cash Statement for 1915:—Receipts: Balance from 1914; £4 8s. 3d.; cash receipts for new registrations, etc., £34 12s. 6d.; total, £39 0s. 9d. Expenditure: Advertisement in New Zealand

Government Gazette, 4s. 6d.; printing registration forms, £1; stamps and telegrams, £1 19s. 2d.; Connexional Secretaryship Fund, £30; total, £33 3s. 8d., leaving a credit balance of £5 17s. 1d.

SAMUEL LAWRY,

Authorised Representative.

Christchurch, January 6th, 1916.

RESOLUTIONS.

1. That the Report and Cash Statement be received and adopted.
2. That, in accordance with the provisions of "The Methodist Church Property Act," 1887, the Rev. Samuel Lawry be appointed Authorised Representative for the year 1916-17.
3. That the Authorised Representative enter on the Church Register all new Trusts, and such alterations in Trusts as are certified by Circuit Superintendents, and that he report thereon to the Conference.
4. That it be an instruction to the Authorised Representative not to enter in the Register the names of new Trustees until the fees be paid.

D.—REPORT OF CUSTODIAN OF DEEDS.

Comparatively few transactions have taken place in this department during the past year. In all cases where Deeds have been sent to this Office a receipt has been sent to the persons from whom they have been received. These cases were also reported to the District Synods to which they referred. Most of the Deeds which have been removed have been required for mortgage purposes, and one or two for purposes of transfer.

Considerable work has been done during the year in trying to trace the location and particulars of Deeds. In some cases the effort has been successful, but there are still some properties for which the particulars respecting Titles are not available. There are still a few cases in which the Deeds appear to be in private hands, although there is no encumbrance on the property. Where this is known to be the fact the Custodian will continue to urge Superintendents to secure them and have them forwarded to him for safe keeping. In the meantime each Superintendent should endeavour to see that the location of the Deeds of all properties in his Circuit is known, and duly recorded in the Schedule book for future reference.

SAMUEL LAWRY,

Custodian of Deeds.

Christchurch, January 6th, 1916.

RESOLUTIONS.

1. That the Report be received and adopted.
2. That the Custodian be requested to keep a Register of Deeds, and to report annually to the District Synods and to the Conference.

3. That the Custodian be requested to take the necessary steps for the recovery or replacement of missing deeds of Church property.
4. That the Custodian be authorised to obtain the necessary documents to secure the titles to those properties, the deeds of which have been reported as missing.

Report to Conference.

Attached Balance-sheet shows the position of the Trust, and it may be added that the past year has been a very satisfactory one from this aspect.

During the year Mr. R. W. Waterhouse resigned his seat on the Board.

The work at the Kindergarten Schools has, to a large extent, been retarded by the difficulty in obtaining teachers, so much so that the Board deemed it desirable to close up one of the schools (Aro Street)

during the year. A decreased attendance, owing to the opening of an Education Board Kindergarten in close proximity to our school, also influenced this decision.

The Board has for some time past had under consideration the desirability of establishing Orphanage work, instead of Kindergarten, it being considered by the Trustees that such work was of paramount importance, and it was decided to approach the Court, with a view to securing the necessary authority to vary the scheme in this direction.

This has been done, and it is anticipated that there will be no difficulty in obtaining the necessary permission.

If the request is granted by the Court, immediate steps will be taken by the Board towards the establishment of an Orphanage.

For the Board of Trustees,

J. G. CHAPMAN,
Chairman.

W. C. HEMERY,
Honorary Secretary.

WELLINGTON METHODIST EDUCATIONAL TRUST.

RESOLUTIONS.

1. That the Conference place on record its appreciation of the careful and judicious administration and management of the Trust by the Trustees, and that the cordial thanks of the Conference be accorded them.
2. That with a view to a more definite settlement of the purposes and scope of the Trust, and also of the relation of the Trustees and the Conference, the Conference recommends to the Trustees the promotion of a Bill for the future administration of the Trust.
3. That the cost of promoting the Bill be borne equally by the Trustees and the Conference.
4. That such Bill be jointly promoted by the Conference and the Trustees and that the following Committee represent the Conference in the matter:—The President, Vice-President, and Secretary of the Conference, with Revs. J. Dawson, J. H. Simmonds, C. H. Laws B.A., and Mr. A. Peak. Convener, Mr. A. Peak.
5. That such Bill should provide, *inter alia*,
 - (a) That the Trust Property and Funds be vested in and held by the Trustees and administered by them under the general control and superintendence of the Conference.
 - (b) That Conference shall annually appoint a person to be Chairman of the Board, who, while so acting, shall be a Trustee. In the event of the Conference not appointing a Chairman, the Trustees shall have power to appoint one of their number as Chairman.
 - (c) That the number of Trustees shall be not less than ten.
 - (d) That all new Trustees shall be appointed by Conference on the nomination of the Trustees. If the number of Trustees falls below ten, and the Trustees fail to nominate new Trustees, the Conference shall appoint without the nomination of the Trustees.

- (e) That the approval of Conference shall be obtained in respect of the exercise of any power to sell or mortgage, and in certain specified classes of leases.
 - (f) That, if an Institution is established, the President of the Conference, or his duly appointed deputy, shall be the official visitor of the Institution.
6. That the Conference recommends to the Trustees as a policy for the Trustees to pursue in the framing of the Bill, the constitution of Trusts similar to those declared by the Methodist Charitable and Educational Trusts Act, 1911, Section 31, and designed to benefit—
 - (a) Children and youth being descendants of the Native or Maori race of New Zealand.
 - (b) Orphan or needy children and youth of any other race being British subjects.
 7. That the Trustees be recommended, after the passage of such Bill into law, to confer with the aforesaid Committee on the details of a definite line of policy with a view to reporting a scheme of administration to next Conference.
 8. That the aforesaid Committee be empowered to depute certain of their number, if necessary, to meet the Trustees in Wellington, the expenses to be borne by the Contingent Fund.

NORTH CANTERBURY DISTRICT.

10. Canterbury Home Mission Trust.
For Balance-sheet, see Appendix 12.

General Resolutions.

1. That the Reports and Balance-sheets of the above Trusts be received and adopted.
2. That a brief report of what has been done in connection with these properties be submitted with the Balance-sheets; reports from Nos. 2 and 9 to include a statement of any vacancies that may have occurred in the Trusts.
3. That the Treasurers of all Legacies or Endowments held on behalf of the Church should present each year a statement showing how the funds are invested, and any change which may have been made during the year, and that an entry of the same be made annually in the Journal.
4. That the Treasurers and Trustees be respectfully requested to make their Balance-sheets terminate on December 31st, except in cases when it is absolutely necessary to close them on September 30th, thus making all Balance-sheets terminate on those dates.
5. That Connexional Trust Boards be requested to insure all their employees against accident.

QUESTION XXXIV.—What is the Report on Connexional Fire Insurance?

REPORT OF COMMITTEE, 1915.

1. The Committee has pleasure in reporting that there has been no loss to the Fund caused by fire during the year.

2. The Assets of the Fund amount to £7874 7s. 9d., as compared with £7194 19s. 7d. a year ago. These assets do not include £108 2s. 5d. unpaid Levies, due when the accounts were closed. The amount received during the year as insurance levies was £809 2s. 6d., being £45 9s. 2d. less than the amount received during the preceding year. This decrease is wholly due to the larger amount of unpaid levies. The reference made in last year's Report to the lack of promptness on the part of some Trust Treasurers in meeting their engagements to this Fund does not appear to have borne any good fruit. The Treasurers will take immediate steps to see that arrears are paid, or else discontinue the risks.

3. As some of the District Synods had expressed the desire to be furnished with a statement of individual insurances, a column was added to the Church Property Schedules, with a request that the name of the office in which the insurance was held should be stated. Most of the Schedules contain the information desired. When there has been time for the detailed examination of these Schedules the Committee will be in a position to learn from what quarters new business may reasonably be expected.

4. There does not appear to be any good reason why every Methodist Church Property in the Dominion should not be insured in the Connexional Office. The Committee takes care that all large risks are adequately re-insured; and in cases where the property is mortgaged, arrangements can generally be made for insuring in the Connexional Office on terms satisfactory alike to the office and the mortgagee. The Fund has been in operation sufficiently long to warrant the Committee in expecting all connexional insurance business to come to the office. In some cases probably it is only an oversight which accounts for business being continued with outside offices. But in some instances Trust Treasurers appear to regard it as the correct thing, when they happen to be agents for insurance companies, to secure the insurance business of the Trustees for the companies which they represent. A few cases have occurred in which business has been withdrawn without notice from the Connexional Office, and transferred to the companies for which the Treasurers were agents. This has at least the appearance of putting private interests before those of the Church. As all the profits of the Fund are connexional property, it is only fair that all who share in the profit should loyally do their part in helping to create it. This is fully recognised by most of our Ministers and Trustees, and the Committee hopes it may become universal.

5. Last year the Committee in its Report referred to the unsatisfactory securities held for some of the Loans which previously had been advanced to Trustees of Church and Parsonage properties. The number of these has been decreased during the year. The remaining cases continue to receive the attention of the Committee, and it is hoped that all of them will shortly be put on a satisfactory basis.

6. There are at present fourteen Trust Boards which have loans

owing to this fund. The following shows the amount of each Loan, and the interest (if any) due on January 10th, 1916:—

7. Mr A. Borrows is the retiring member of the Committee, and Mr E. C. Brown is nominated as his successor.

Signed on behalf of the Committee.

SAMUEL LAWRY,

Secretary.

RESOLUTIONS.

1. That the Report and Balance-sheet be received and adopted.
2. That the thanks of the Conference be given to the Committee for its services during the past year, and that the following be the Committee for the ensuing year:—The Connexional Secretary, Revs. T. Fee and A. Peters, Messrs C. E. Salter, E. W. Hall, G. Barrell, H. Buttle and E. C. Brown.
3. That the thanks of the Conference be given to Mr. A. Borrows, the retiring member of the Committee.
4. That the Trustees and Treasurers of Connexional and other Church properties be requested to consider the advisability of effecting insurances in the Connexional Office.

QUESTION XXXV.—What are the Resolutions of the Conference respecting the Connexional Secretaryship?

REPORT OF COMMITTEE.

1. The work of the Office in almost all departments continues steadily to increase. With the growth of the Church and the increase of the Funds administered, this must be looked for. The year closed with a credit balance of £14 18s 1d on the working expenses. As a separate Report is given of each of the principal departments of the

work done in the Office, there is no need to refer to these in detail in this Report.

2. During the year the Secretary did a considerable amount of deputation work in connection with both Home and Foreign Missions. This work was done in the Wellington and North Canterbury Districts.

3. In view of the recommendations of the "Committee on Connexional Offices," it may be useful to remind the Conference what the duties of the Connexional Secretary are. The Committee, in its Report, expresses the opinion that "the contribution from the Contingent Fund to this office should cease at the earliest possible date, with a view to the office being maintained entirely from the funds administered therefrom." This appears to assume that all the work of the office is revenue-producing, or ought to be. A brief consideration of the facts will show that this is not the case, nor is it likely to be. The duties of the Church Building and Loan Fund Committee are not by any means confined to the management of loans. There are 8 paragraphs in the Rules and Regulations, setting forth the "Duties of the Committee." Of these only one has to do with business which brings in even the small revenue towards working expenses derivable from loans. The duties of the Connexional Secretary also are set out in eight paragraphs, but only one of them specifies duties from which any income is derived. It is therefore hardly reasonable to expect the revenue-producing departments to pay for their own working expenses, and also to provide for the cost of a large amount of work connected with them only by the fact of its being done in the same office. Further, the recommendation that "the Connexional Secretary undertake the Missionary deputation work of at least one District each year," would not add anything to the income of the office, nor relieve the Contingent Fund to any extent whatever, but would really be making other funds contribute to the working cost of the Mission Funds without any return being given. It may further be pointed out that notwithstanding the growth of the general work of the office, the contribution from the Contingent Fund remains the same as it was in 1897; and the contribution from the Home Mission Fund, which was then £150 per annum, has now entirely ceased.

4. The Committee, after carefully considering the whole matter, estimates the expenditure for 1916 at about £700—and recommends the following appropriations to meet the same:—Contingent Fund, £165; Church Building and Loan Fund, £165; Fire Insurance Fund, £190; Supernumerary Fund, £150; Authorised Representative, £30; total, £700.

5. Mr E. C. Brown is the retiring member of the Committee, and the Conference is recommended to appoint the following as members of the Committee for 1916:—The Connexional Secretary, the Superintendents of the Durham Street, Christchurch East, Cambridge Terrace, Addington and St Albans Circuits, with Colonel G. J. Smith, Messrs J. C. Prudhoe, C. E. Salter, J. A. Flesher, A. F. Drayton, G. Barrell and W. Dobbs.

6. In conclusion, the Committee desires to express its high appreciation of the services of the Secretary, the Rev. S. Lawry, who has carried out the duties of this growingly important office with devotion, ability and courtesy.

W. A. SINCLAIR,

Chairman.

RESOLUTIONS.

1. That the Report and Balance-sheet of the Committee be received and adopted.
2. That the thanks of the Conference be given to Colonel G. J. Smith for his services as Treasurer, and that Mr. A. F. Drayton be appointed Treasurer for 1916-17.
3. That the thanks of the Conference be presented to the Committee for their services during the past year, and that the following be the committee for the ensuing year:—The Connexional Secretary, the Superintendents of the Christchurch Durham Street, Christchurch East, St Albans, Addington, and Cambridge Terrace Circuits; Colonel G. J. Smith, Messrs. J. C. Prudhoe, C. E. Salter, J. A. Fleisher, G. Barrell, A. F. Drayton, and W. Dobbs.
4. That the cordial thanks of the Conference be presented to the Rev S. Lawry for his faithful and efficient services in the carrying out of the increasing duties of the office of Connexional Secretary.

QUESTION XXXVI.—What are the Resolutions of the Conference Respecting the Theological College?

For Balance-sheet, see Appendix 15.

A.—REPORT OF PRINCIPAL.

The present year's work has suffered many interruptions. Towards the end of the first term, and during the second term, Messrs S. J. Mogridge (senior student), E. T. Olds, G. B. Sheridan and W. S. Smith, with the president's consent, enlisted with the Expeditionary Forces. Mr Smith, after enlisting, went to Aramoho as "Supply," and there remained until September. The other three went into camp soon after enlisting, and have in each case won promotion. The four have now sailed for the front. These were all students at the University, two of them—Messrs Mogridge and Smith—preparing for the final section of the B.A. degree.

With the opening of the second term, Mr W. G. Slade, B.A., owing to his father's serious illness, was called out by the President to assist his father in Newtown. Mr Slade was preparing for the honours M.A. degree, and is continuing his course of studies, expecting to take the examinations at the close of the year. In August the President again called for assistance, and Mr E. R. Warburton was sent to Levin where he still is.

There are but seven men now in College.

The President visited us early in June, and at the dinner table gave a timely address, commending the men who had felt it their duty to enlist, and commending also the men who, with equal conviction felt it their duty to remain and equip themselves for their life's vocation.

Our chief theological studies have been devoted to the Epistle to the Romans and to Professor Mackintosh's "Person of Jesus Christ."

In Greek it has been necessary to divide the men, even the present number, into four classes. More time has been devoted than in former years to classic Greek, with a view of giving the students a fuller comprehension of the principles of the language than the reading of the New Testament text can supply. I am convinced that if our

candidates' course included a section of such a book as the "Initia Graeca," instead of Green's "Brief Introduction to New Testament Greek," it would be a better preparation for subsequent studies.

The attempt to establish a Hebrew class has ended in failure. The Board of Studies granted exemption to a number of men who found that the extra subject interfered with more urgent claims, and subsequently the departure of the men for the camps ended the class.

Three of the present residents are attending the University, Messrs. E. E. Sage and C. H. Kendon taking Mental Science and Economics, and Mr W. T. Blight first year's term in Economics, Mental Science, Latin and Mathematics. Mr G. E. Brown is preparing for the full Matriculation course, Mr E. E. Sage for the completion of that course in one subject—Latin, and Mr R. E. Fordyce, who has matriculated, but is debarred from sitting for terms because he did not include in his subjects either Latin or Greek, is endeavouring to reach Matriculation standard in Greek.

In the College itself, the men have pursued the studies of Psychology, Logic, English and English History, in addition to Theology, Exegesis and Homiletics.

The Revs. W. A. Burley, M.A., and E. T. Cox, M.A., accepted the position of assistant tutors offered by the Board, and have given faithful and efficient service in preparing candidates for Matriculation.

The course of studies has not obscured the supreme object of the Christian ministry. Of their own freewill all the students have taken part in the open-air services conducted by the East Street Mission, the whole band going on alternate Saturday nights and assisting in addressing the crowd, or in leading the meeting. The Rev. E. T. Cox, M.A., speaks in warm terms of appreciation of their help.

They have entered heartily into the "Student Christian Movement," several of them being leaders of the Bible circles in the University College. Mr W. S. Smith was president of the Union until he left Auckland, and Mr W. T. Blight has recently been elected vice-president.

The men who have gone into camp have not forgotten their high calling. Their letters contain refreshing evidence of soul-culture and of zeal. One writes from the camp just before sailing for Europe:—"Am sailing on Saturday night. Had a good time in camp. Saw two men—one a dreadful fellow—soundly converted. Opportunities will increase with further acquaintance with the fellows. Some are unbelievably rough specimens—many are quite splendid—all are interesting."

Another writes:—"The 'B' section are a good lot on the whole, though there is plenty of scope for Christian work. I have spoken twice at well attended meetings. Am glad to record the experience of the growing reality of Jesus Christ."

I have to report that we are indebted to Dr Leslie Thompson, who, at the request of the Committee, undertook to act as honorary medical adviser in the absence of Dr M'Master. Fortunately we have had scarcely any need to call in his aid, but we thank him for his visit, when he gave a practical address on some of the difficulties in a religious teacher's career, and how to overcome them.

After the Doctor's visit, a "first aid" class was formed under the leadership of Mr J. Dennis, but owing to the departures already referred to, the class had but a short life.

Our thanks are also due to Messrs L. J. Comrie, B.A., and E. J. Russell, M.Sc., of the Auckland University, for their willing assistance in teaching the men how to make the best use of the telescope purchased last year by the Library trustees.

The Library trustees still regularly supply the College with magazines and replenish our stock of modern books. They have again awarded gifts of well selected volumes to the most successful student in the Theological and the Greek examinations. The "Edson" prize and the "Lawry" prize were both won by the senior student, Mr E. E. Sage.

Mr W. S. Smith has presented the College with a New Zealand flag, which we shall reserve for a flagstaff on our own property.

Mr G. E. Brown has added to our summer comfort by the erection of a large, well-built ice-chest. In past years several students have contributed their skilful labour in adding to the College equipment, but Mr Brown's services have eclipsed all past contributions.

In conclusion, I beg to assure the Synod that all the men in residence promise to make useful and effective Methodist preachers. Not all have had the literary advantages which have been the privilege of a few; neither are all similarly gifted, but I believe that all are fully consecrated to their life's mission, and are strenuously endeavouring to make the most of their opportunities.

C. H. GARLAND.

P.S.—Since submitting the above to the Management Committee, the University College examinations have been held. I am pleased to report that all three students passed in their respective subjects, and of three who sat for the Matriculation Examination, two have been successful.

RESOLUTIONS.

1. That the Report and Balance-sheet be received and adopted.
2. That the thanks of the Conference be accorded to the Rev. C. H. Garland for his services as Principal, and to Mrs. Garland for her capable management of the domestic affairs of the Institution during the year.

Jones (Convener), W. J. Elliott, J. J. Lewis, and E. T. Cox, M.A., Messrs. A. C. Caughey, G. A. Buttle, A. Peak, J. E. Wheeler, J. Veale, T. W. Jones, J. W. Shackelford, S. J. Ambury. The Committee shall meet quarterly.

6. That in order to assist in the support of additional Theological Students in the College and to aid in their higher education, the Conference trusts that some of our wealthy laymen will see their way to found bursaries or scholarships, or otherwise contribute to this important object.
7. That the tuition fees of Students on the President's List of Reserve be made a charge on the Contingent Fund, the amount not to exceed £7 7s. in each case, and to be payable on the recommendation of the Chairman of the District and the Superintendent of the Circuit in which the Student resides.
8. That Students on the President's List of Reserve who receive money from the Contingent Fund be required by the Chairman of their respective Districts to sign an agreement to refund the amount received in the event of their resigning before they enter the College, such agreement to be in the hands of the Treasurers before the money is paid.
9. That the Conference re-affirms its conviction that all candidates for the Ministry should aim at matriculation as an educational standard.
10. That the Conference expresses its appreciation of the good results obtained by the Students in the various examinations during the year.
11. That in the event of a Minister resigning after his ordination there shall be granted for each year of service (reckoning only probationary and ministerial years) a rebate of one-tenth of his personal indebtedness.

4. That quarterage be allowed to each Student, at the rate of £2 per quarter.
5. That Students be allowed to remain for a period of not less than three years in the College, unless called out in cases of necessity by the President.
6. That Students be required to sign an agreement to repay the cost of training in the event of their retiring from the Ministry within ten years from the commencement of their probation, and that the Principal of the College be authorised to sign the agreement on behalf of the Conference, and be responsible for the custody of such agreement.

The Committee has held only one meeting during the year.

The Sub-Committee on sites reported that no action had been taken, as the site of the Auckland University had not yet been settled.

QUESTION XXXVII.—What are the Resolutions of the Conference respecting Wesley Training College?

For Balance-sheet, see Appendix 5.

Report to Conference for the Year Ended December 31st, 1915.

There have been in residence during the year 29 boys and youths, ranging in age from 11 years to over 20. All have enjoyed excellent health; and, speaking generally, conduct and progress have also been satisfactory.

Paraire Paikea left early in the year to take up his duties in the Native Ministry. At the call of family circumstances one boy returned to his home in June; another left in October. The school year closed formally on December 11th, when several members of the Board and other friends were present, and the prizes were distributed by the Chairman of the District.

We have had changes in the office of second assistant master; but in each case have been fortunate enough to secure the services of a young man, who in addition to University training, brought to his work a devout mind, combined with enthusiasm for the practical and social aspects of school life. From all members of the Staff the Principal has received loyal and efficient assistance.

The boys have regularly attended the public services at the Mount Eden Methodist Church, and the Minister of the Church, the Rev. E. P. Blamires, has been good enough to spend an evening with them once a month at the College.

Several of the senior students have been occasionally employed on the new farm at Paerata, with a view to giving them wider experience

in farm work than is possible at Three Kings. Four are remaining in residence during the vacation to assist in carrying on the work both at Three Kings and Paerata.

Over 20 of our "old boys" have enlisted for military service, and we have heard good accounts of their behaviour in camp and at the front. Two or three have been severely wounded.

On November 1st the majority of the members of the Board visited the Paerata property to consider plans for the proposed new College buildings. The Board's architect was present, and together with the Principal fully explained the suggested scheme for roads, plantations, and distribution of the buildings. The general impression seemed to be that the site was eminently suitable for the purposes of the College and the scheme a good one.

The only serious regret to be recorded is that the outbreak of war has temporarily made it impossible for the Board to finance the scheme by selling part of the suburban land as was intended. The delay means not only loss of time, but also loss of interest on the purchase price of the new farm. The existing fund for new buildings is securely invested and is annually increasing in amount, the total now being nearly £3,500. As the architect's estimate for necessary buildings and roads more than doubles that sum, it will scarcely be possible to even make a commencement in the present financial circumstances. In the meantime, the new farm is being improved by working and re-laying the paddocks with better grasses, and by planting extensive belts of trees for future shelter and timber. The profits on stock carried cover working expenses and improvements, but cannot under present conditions overtake interest on the Capital Cost of the property. There seems to be no other course open than to work on patiently until a sale of other land be effected, when a situation admittedly trying for all concerned will be changed to one entirely satisfactory.

(Signed) C. H. LAWS, Chairman.

J. H. SIMMONDS, Principal.

The Report and Financial Statement were received and adopted.

RESOLUTIONS.

1. That the Conference expresses its continued appreciation of the work of the Principal and of the College.
2. That, where by the provisions of the Methodist Charitable and Educational Trusts Act, 1911, and the Amendments thereof, the sanction, approval, or consent of the Conference is required in respect of any dealing or transaction by the Board of the Wesley Training College in exercise of its powers under the said Act or the Amendments thereof, such sanction, approval or consent may be given on behalf of the Conference by the Committee of the Church Building and Loan Fund.
3. That the Chairman of the District, Rev. C. H. Garland, be the Chairman of the Board for the ensuing year.

4. The following are the members of the Board:—Frederick Lambert Prime, Thomas McMaster, Geo. Winstone, Senr., Stephen J. Ambury, Andrew Clarke Caughey, James Henry Gunson, Joseph Henry Simmonds, James Edward Wheeler, John Veale, George Bond, George Winstone, Junr., Joseph Stanton, James Wilson Wiseman, Thomas William Jones, Godwyn Dalrympie Smith, Charles Hughlings Garland, William Westney, John Edward Astley, Charles Henry Laws.

QUESTION XXXVIII.—What are the Resolutions of the Conference respecting the Connexional Funds?

I.—SUPERNUMERARY FUND.

For Statement of Receipts and Expenditure see Appendix 17.

REPORT OF BOARD OF MANAGEMENT, 1915.

1. During the year the final payment of capital due to New Zealand from Australia has been made. The amount received from Australia, including interest on portions of the capital not paid till after the date of the division of the fund, is £64,972 10s. 1d.

2. A question involving an important point of principle has been under discussion between the two Boards during the year. A minister who was in the mission field at the time of the division of the fund has since returned to New Zealand, and desires to have his interests in the Supernumerary Fund transferred to New Zealand. The two Boards have not been able to agree as to the terms on which such transfer should take place. The Australian Treasurers referred the matter to their Actuary, who advised the payment of a sum so small that the New Zealand Board could not see its way to accept it. Acting on the advice of its Actuary the New Zealand Board has declined to agree to the transfer unless better terms can be arranged.

3. Up to December 31st, 1915, the sum of £10,233 19s. 6d. had been received on account of purchase of benefits in the Fund for Ministers and Probationers previously connected with the Superannuation Funds of the Primitive Methodist Church. From this an amount due for interest on moneys paid after due date has to be deducted. A sufficient sum has been paid to purchase approximately 95 per cent. of full benefits in the fund, and to provide interest as above, for all except those for whom special arrangements have been made. The Committee appointed by the last Primitive Methodist Conference will probably be able to make a statement showing what is proposed to be done in regard to the balance still required.

4. The Cash Account shows that during the year, £1392 15s. 0d. was received on account of Ministers' Subscriptions, and £1781 18s. 6d. account of Circuit Levies. At the end of December nearly all Circuit Levies, except those for the last quarter of the year, had been paid. The following table shows the arrears of Ministers' Subscriptions in each District, with interest due thereon to December 31:—

Districts.	Arrears of Subscriptions.			Interest on Arrears.			Totals.		
	£	s.	d.	£	s.	d.	£	s.	d.
Auckland	24	18	0	10	18	7	35	16	7
South Auckland ...	8	17	0	0	9	4	9	6	4
Taranaki-Wanganui	50	13	6	—	—	—	50	13	6
Hawkes Bay-Manawatu	33	13	3	2	6	2	35	19	5
Wellington	70	18	0	7	2	4	78	0	4
Nelson	0	14	0	0	3	10	0	17	10
North Canterbury ...	26	11	0	1	3	11	27	14	11
South Canterbury ...	8	17	0	—	—	—	8	17	0
Otago	17	14	0	0	13	10	18	7	10
Southland	1	16	6	0	8	10	2	5	4
Totals	244	12	3	23	6	10	267	19	1

Of the above £70 16s. is owing by Probationers of the first year, who are not required to pay the first year's subscription till the second year. There is a reduction of £43 2s. 2d. on the amount reported last year.

5. On December 31st the amount invested on mortgage was £70,100, all of which is bearing interest at $5\frac{1}{2}$ per cent.; £3000 is invested in New Plymouth Borough Debentures, bearing interest at 5 per cent.; £5600 worth of New Zealand Government Debentures, and £900 of City of Wellington Debentures have been taken over from the Australian Treasurers. These all carry interest at 4 per cent.

6. The payment of moneys at irregular intervals and in varying sums makes it impracticable to state the average rate of interest earned by the Fund under normal conditions. The Board hopes in future Reports to present this item of information.

7. The attention of Conference is called to the fact that no specific provision has been made for the payment of Circuit Levy on account of a Student who may be sent early in the year to supply for a Minister who dies or who is unable through ill-health to continue his work. If the Student is accepted by Conference as having passed the first year of his probation, there are two liabilities to the Fund. The Board therefore recommends that provision be made for the payment of Circuit Levies for "Supplies" who receive a year's status on the Fund, when such are not paid by the Circuits.

8. One annuitant died during the year, and one returned to Circuit work. One Minister in Circuit work has died, leaving a widow who becomes an annuitant on the Fund.

9. There has been no change in the personnel of the Board during the year, and no change is recommended to be made by the Conference

QUESTION XXXIX.—What are the Resolutions of the Conference respecting Foreign Missions?

The Report and Financial Statement were received and adopted.

RESOLUTIONS.

1. That the Conference expresses its gratitude that in spite of the demands made by the war, and the other special circumstances of the year, the income for the year shows an increase of over 40 per cent. The Conference deeply appreciates this mark of loyalty to the great cause and commends our widespread Mission Fields to the continued liberality of our people.
2. That, believing that missionary work is indispensable to Christian civilisation, and that the highest ideals of Christian nations cannot be realised apart from the propagation of Christ's Gospel, the Conference regards the war situation, not as a reason for neglecting missionary operations, but rather as a new incentive to sacrifice for the holy warfare of Christianity against the forces of darkness.
3. That the Conference re-affirms its conviction that it is very desirable that a separate Mission Field be assigned to New Zealand at the earliest practicable date, but, in view of the present unsettled state of public affairs, considers that the question must be deferred until the European war has ended, and indication is given as to the future political arrangements in the Pacific Islands.

4. That in the opinion of this Conference it is expedient that, in connection with the taking over of a separate Mission Field by our New Zealand Church, a Foreign Mission Secretary be set apart.
5. That, although the exact field to be taken over and the date of our assuming responsibility for the same are as yet undetermined, the Conference is of opinion that the designation of a Foreign Mission Secretary should take place in 1917, that he may have ample time, by the study of missionary problems, and especially those relating to the Pacific, and by a thorough consideration of the financial claims of the work and the best methods of meeting them, to prepare himself to lead the new Foreign Mission Movement.
6. That the Conference expresses its strong desire that the Rev. J. W. Burton should return to New Zealand and assume the position of Foreign Mission Secretary, and that earnest representations be made to him through the President of the Conference, with a view to his doing so at a date to be mutually arranged.
7. That, failing such an arrangement, the Conference Foreign Mission Executive Committee be directed to submit three names to the Conference of 1917, with a view to the designation of a secretary.
8. That the Conference tenders its sincere sympathy to Rev. W. Slade, Foreign Mission Secretary, in his continued ill-health, thanks him for his services, and prays that he may be speedily restored to health.
9. That the special thanks of the Conference be presented to the Rev. W. G. Slade, M.A., for the valuable services which, in addition to successful Circuit and University work, he has rendered as supply for his father.
10. That the thanks of the Conference be presented to Mr. J. Lomas for his services as Lay Treasurer.
11. That for the present year Rev. T. F. Jones be appointed as Foreign Missionary Secretary, with an honorarium of £75.
12. That the cordial thanks of the Conference be presented to Rev. W. R. Poole for his effective service as Foreign Mission Deputation.
13. That the thanks of the Conference be presented to the retiring Committee, and that the Committee for the ensuing year be located in Auckland, to consist of: Revs. W. Slade, C. H. Laws, B.A., C. H. Garland, L. Hudson, J. Wrigley, H. E. Bellhouse, W. J. Elliott, E. T. Cox, M.A., W. A. Burley, M.A., T. F. Jones, with Mrs H. E. Pacey, Mrs J. W. Court and Miss Madge Buttle, Messrs. G. Winstone, A. C. Caughey, J. H. Gunson, B. Buttle, J. W. Shackelford, J. Stanton, LL.B., F. W. Stone, W. Trenwith, J. W. Court; the New Zealand representatives to the Mission Board being corresponding members.—Convener, Rev. T. F. Jones.
14. That Mr. J. W. Court be Lay Treasurer to the Foreign Mission Fund.
15. That the following be appointed as District Secretaries for Foreign Missions for the ensuing year—

Auckland.—Rev. E. P. Blamires.
 South Auckland.—Rev. T. J. Wallis
 Taranaki-Wanganui.—Mr. E. Dixon
 Hawkes Bay-Manawatu.—Mr. J. H. Oldham
 Wellington.—Rev. W. Beckett
 Nelson.—Rev. A. Ashcroft
 North Canterbury.—Mr. F. Sheppard Green
 South Canterbury.—Mr. E. Holdgate
 Otago.—Mr. E. Rosevear
 Southland.—Rev. S. Henderson

And that the chairman of the District and the District Secretary be a District Committee with power to associate with themselves other suitable persons for the purpose of arranging for deputations and other matters in the interests of Foreign Missions.

16. That the name of the Reserve Fund for our prospective independent Foreign Mission work be changed to Working Capital Fund.
17. That the Conference directs the Executive not to forward to Australia any legacies left to the Methodist Church of New Zealand for the Foreign Mission Fund, but that these be retained for the Working Capital Fund, subject to the approval of the Mission Board.
18. That any moneys contributed to the Working Capital Fund be invested in any manner authorised for Trust Funds, and that the income arising therefrom shall be available for, and form part of, the yearly income of the Foreign Mission Fund.
19. That the cordial thanks of the Conference be presented to the ex-President, Rev. J. Dawson, for his efficient service as representative of New Zealand Methodism at the Australian Methodist Centenary Celebrations held last year.
20. That the Conference, being convinced that the maintenance of a steady increase in the Foreign Mission income will depend largely on the efficient working of home organisation, requests all our Circuits and Home Mission stations to give the closest attention to this matter.
21. That in order to awaken and extend Missionary interest, the Conference directs—
 - (a) That Missionary advocacy be not limited to annual sermons, the visits of deputations, nor to quarterly lessons in the Sunday-schools, but rather interfuse the life of the entire Church the whole year through.
 - (b) That Missionary Study Circles be formed, or that Missionary Study be combined with Bible Study in Bible Classes, Fellowship Meetings, etc.
 - (c) That Missionary Topics be conspicuous in the syllabus of the Wesley Guild and other Societies of the Church.
 - (d) That the reading of Missionary Biography be encouraged in connection with the Sunday-school Libraries and in home reading.
 - (e) That the Editor of the "Methodist Times" be asked to set aside a special page for missionary news.

- (f) That the intercession of the Church be directed habitually to the various phases of the world-wide programme of Christianity.
22. That Circuit Superintendents be requested to call the attention of congregations to Missionary literature, in order to secure a wider distribution; and that the Quarterly Meetings be asked to encourage the sale of the "Missionary Review." That an active agent be appointed in every Circuit by the Quarterly Meeting, who shall secure subscribers, collect subscriptions, and remit the same through the Superintendent to the Conference Treasurer, and that all orders for the "Review" be forwarded through the Foreign Missionary Secretary.
23. That the Conference strongly urges the desirability of placing at least one Missionary box in every Methodist home in the Dominion.
24. That, recognising the importance and value of the work of the British and Foreign Bible Society, the Conference recommends that a retiring collection be taken up in all our churches on Bible Sunday, May 7, or other suitable Sunday, in aid of the Society's Funds.
25. The Conference expresses its cordial appreciation of the services rendered to Foreign Missions by the Ladies' Auxiliaries, and the Laymen's Missionary Movement, and prays that these organisations may be crowned with success. The Conference sends its cordial greetings to the newly-formed Ladies' Missionary Union. It trusts that branches of the Laymen's Missionary Movement will be formed in all centres of population.
26. That the following alterations be made in the instructions for Conference arrangements:—(Minutes, 1915, p. 120.) That paragraphs 3 and 4 be eliminated, provision being made in paragraph 1 for the Young People's Demonstration and its most suitable date. That paragraph 2 shall read:—That a Conference Missionary Meeting be held on a suitable evening in the central week of Conference, the offertory to be equally divided between the Home and Foreign Mission Funds.
27. That the Executive Committee be requested to consider whether Circuits should be requested to complete their Annual Foreign Missionary effort by September 30.

REPORT OF ANNUAL MEETING OF THE FOREIGN MISSION BOARD.

The Annual Meeting of the Board of Missions was held in Sydney, beginning on Wednesday, February 2nd, and was presided over by Rev. G. Brown, D.D., President of the General Conference of the Methodist Church of Australasia. On account of the illness of the New Zealand Conference Foreign Mission Secretary, and the inability of Mr. C. M. Luke to attend, there was only one Representative from New Zealand present. All the Australian States were fully represented.

The financial position was shown in a series of statements which had been prepared by the General Secretary and the Auditors. These were much more complete and more readily understood than the statements presented in former years. It was gratifying to find that in

spite of war conditions the contributions from all sources were quite equal to the estimates adopted a year ago, and including the amounts raised towards the deficit of the previous year, the amount constituted a record income for any one year. The following shows the amounts (including special offerings for the deficit of 1914) raised by the several Auxiliaries, in the Home Districts and on the Mission Field, and the estimated income for 1916:—

1.—The Home Churches:

	Amount received, 1915 £	Estimated Income, 1916 £
New South Wales	9,586	8,000
Queensland	1,861	1,850
Victoria	13,004	11,000
Tasmania	1,427	1,200
South Australia	4,744	4,500
Western Australia	632	650
New Zealand	5,647	5,000
Special for Mission to Australian Aborigines	—	1,000
Sundries	346	250
Total for Home Churches	£37,247	£33,450

2.—Mission Districts:

Tonga	—	—
Samoa	271	250
Fiji	6,826	6,100
New Britain	1,657	1,600
Papua	823	600
Solomon Islands	455	450
India	—	50
Total for Mission Districts	£10,032	£9,050
Grand Total	£47,279	£42,500

The estimates for 1916 were very carefully considered. In view of all the circumstances no increase over the amount raised in 1915 by ordinary efforts could be expected. This inevitably meant the elimination of nearly all new work. Each Mission District had developmental work and new enterprises in its programme, but progress in these directions is severely limited.

The one new enterprise of any magnitude sanctioned by the Board was the Mission to the Australian Natives, in the Northern Territory. Special gifts for this purpose made this possible. At the request of the Board the Rev. J. Watson, at present acting as Conference Secretary of Foreign Missions for New South Wales and Queensland, had paid a visit to the far north of Australia during the year, to inspect the country and interview the natives. He had also been in communication with the Commonwealth Government, which is prepared to facilitate the work of the Mission, financially and otherwise. It was resolved to request the New South Wales Conference to release Mr. Watson from his present position, with a view to his being appointed as the Superintendent of the new Mission, for which he appears to be in every way fitted.

As the result of an offer by a member of the Board to give £100 per annum for two years, it was resolved to sanction the extension of the Solomon Island's work to Bougainville, which, until the outbreak of war, belonged to Germany. So far as is known, Bougainville is thickly populated, and hitherto the people have been without any means of learning the teachings of the Gospel.

As usual an "Allocation Committee" was appointed to deal with the proposed expenditure for 1916. This Committee was instructed to bring the allocation of expenditure within the estimated income as already given, plus sundry amounts transferred from special funds to the general fund, making a total of £45,376. This is about £4000 less than the amount asked for by the Mission District Synods, and for the most part represents work to be left undone, which would have been taken in hand had the means been available. The above amount has been allocated as follows:—

	£
Administration and Contingencies	6,227
Fiji (Native Work)	8,440
Fiji (Indian Work)	4,530
New Britain	9,232
Papua (New Guinea)	7,637
Solomon Islands	5,459
India	2,351
Australian Aborigines	1,500
Total Allocation	£45,376

The question of Industrial Missions again received a good deal of attention. The Committee appointed last year had not been able to collect all the information it had sought, and its report was incomplete. The desirability of maintaining industrial training in connection with our Mission work was generally acknowledged. But how to prevent such work from becoming merely commercial enterprises, and how to prevent them from absorbing large sums of money given for the purpose of doing direct Mission work, were not quite so apparent. The whole matter was again remitted to a Committee, to obtain further information and to report to the Board next year.

The proper training of Missionary Sisters was brought before the Board by a communication from the New South Wales Ladies' Auxiliary. The Board decided that a Training Home must be established at the earliest possible date, and appointed a Committee to deal with the matter during the year, and to confer with Ladies' Auxiliaries as to the course to be adopted.

For a long time the Board has been exercised as to the best method of securing a satisfactory legal title to the Mission properties in the several Districts. A report was presented showing that after extensive enquiries it was thought desirable to adopt substantially the same course as that which has been found to work satisfactorily in connection with the English Wesleyan Missionary Society. A Trust Association is to be formed, and registered as a limited liability company. Its shareholders are to be the members of the Mission Board, with six directors. This Company will hold all Mission properties, and do all that is necessary for their administration.

On the recommendation of the New Zealand Committee some time was given to the consideration of matters connected with "Home Organisation." Each of the Conference Secretaries reported on his methods

of work. All of them emphasised the importance of the hearty co-operation of the Circuit Ministers, if Missionary organisation is to be effective. In some places, especially Victoria, the Laymen's Missionary Movement is doing good work; and everywhere the great help of the Ladies' Auxiliaries is recognised. The value of Mission Study Classes was pointed out, also the importance of circulating Missionary Literature. One of the speakers urged the importance of securing, as collectors, persons who had both knowledge of, and interest in, the work of Foreign Missions. These were likely to get pounds, where others would get only shillings.

In the interests of economy an effort was made to stop the publication of the "Missionary Review." This, however, did not meet the views of the majority of the Board, and the "Review" is to be continued. But it is necessary to have at least one agent in every Circuit, whose business should be to collect the annual subscriptions, and to secure additional subscribers.

The Annual Report for this year is reduced to a mere statement of the finances. While recognising the importance of giving as much information as possible, the necessity for exercising rigid economy led the Board to adopt this course for one year. It is hoped that the Connexional Papers will help to supply Missionary information, so as to keep up the people's interest in this sacred cause.

It is expected that the Rev. W. J. Enticott will be on furlough during the latter part of 1916, and that he will be able to give some time to Deputation work in New Zealand next summer. The resignation of Rev. C. L. Carr, a Probationer from the New Zealand Conference, was reported to the Board, and this will no doubt be officially communicated to the Conference.

SAMUEL LAWRY,

N.Z. Representative to the Annual Meeting
of the Board of Foreign Missions.

QUESTION XLII.—What are the Resolutions of the Conference respecting City Missions?

Reports were received and adopted from Auckland Methodist Mission, Wellington Central Mission, Christchurch Central Mission, Dunedin Central Mission.

RESOLUTIONS.

1. That the Regulations of Conference (Minutes, 1914, page 103), with regard to Missions, be re-affirmed.
2. That the Conference expresses its high appreciation of the work of the Ministers and Laymen associated with the various City Missions.
3. That the Christchurch Central Mission be discontinued.
4. That the following Committees of Management be appointed for the ensuing year:—

AUCKLAND METHODIST MISSION.

The Members of the Mission Quarterly Meeting, with Messrs. S. J. Ambury, J. E. Wheeler, T. Clark, T. Hodgson, A. Peak, J. Burton, G. D. Smith, and T. W. Jones: Convener, the Superintendent of the Mission.

WELLINGTON CENTRAL MISSION.

The Members of the Mission Quarterly Meeting, with Messrs. J. Lomas, W. E. Howe, A. E. Moss, W. C. Burd, C. D. Macintosh, E. Tonks, R. G. Denton and J. R. Burley. Convener, the Superintendent of the Mission.

5. That the question of the enlargement of the Committee of the Dunedin Central Mission so as to include others outside the Quarterly Meeting, be referred to the Committee of the Mission to report through the Otago Synod to the next Conference.

THE REPORT OF THE SPECIAL COMMITTEE ON CENTRAL MISSIONS WAS ADOPTED AS FOLLOWS:—

I.—STAFF.

That the employment of a Deaconess, to work amongst the poorer classes, and especially the women, be regarded as essential in the staffing of each mission.

II.—MANAGEMENT.

That the Conference regulation for the appointment of a General Committee of Management and Control, representative of the Methodism of the city, be given effect to in each mission where practicable.

Such a Committee of Management is essential to the development of the social work which should be carried on in every mission. The Committee should not be merely in name, but in reality; should not only give advice, but should assume the financial responsibility.

It is also recommended that the chairman of the district have a seat on the Committee.

III.—FINANCE.

No mission which carries on this aggressive and social work in the interests of the whole city should be expected to be self-supporting. It should be able to claim assistance from the whole Church.

There should be an annual special appeal to the city on the lines followed by the great Central Missions of England and Australia. All of these missions have large numbers of regular subscribers, who are not in all cases members of the Methodist Church. This should be regarded as one of the principal sources of income. The Conference believes that if bold, aggressive, and social work is done by the missions, it will afford a sufficient ground of appeal.

Where assistance is given from the Home Mission Fund, it shall be on the distinct understanding that aggressive evangelistic and social work shall be undertaken by the mission receiving such aid.

IV.—METHODS.

The special aim of a mission is to reach the masses of people who are untouched by the ordinary Church. This can only be effected by the use of aggressive agencies and extraordinary methods. New methods should be frequently introduced. The Conference regards it as essential that in every mission there should be:—

1. Definite evangelistic effort.
2. Open-air preaching.
3. Organised work among men.
4. Social and philanthropic agencies.

The Conference pleads for a more sympathetic attitude on the part of the whole Church towards the important and difficult work carried on by our Central Missions.

QUESTION XLIII.—What are the Resolutions of the Conference with regard to the Training of Deaconesses?

RESOLUTIONS.

1. That the Report and Balance-sheet be received and adopted.
2. This Synod places on record its appreciation of the excellent work done for the Institution by Sister Grace Crump. The probationers and the Committee owe a lasting debt of gratitude for her wise and courageous guidance in Deaconess work. The Synod regrets her return to England, and trusts that her future may be crowned with God's richest blessing.
3. That the Committee, and particularly the Convener, be thanked for their services during the year, and that the following be the Committee for the ensuing year:—

The Connexional Secretary, the Superintendents of the Christchurch, Durham Street, Durham Street S., East, Sydenham, St. Albans and Addington Circuits, with Messrs. E. C. Brown, H. S. J. Goodman, E. Iles, F. Thompson, Colonel G. J. Smith, H. Branthwaite and R. H. Turner. Convener: Rev. A. N. Scotter, B.A.

4. That in future all Deaconesses, prior to being recognised by the Conference, shall be approved by the Central Deaconess Committee, and, except in the case of those who have been trained in the Connexional Deaconess House, shall have passed the following tests:—

(a) Three years' probation in Circuit work. (In the case of those at present employed, past years of service shall count for status).

(b) During each year of probation an examination to be passed in Scripture Knowledge, Elementary Theology and English.

N.B.—In special cases the Committee shall have power to grant exemption from examination.

- (c) Superintendents of Circuits to report annually to the Central Committee regarding the probationers' efficiency in practical work.
5. That the Central Deaconess Committee prepare the curriculum and make arrangements for the examination of these extra-mural students.
6. That on the completion of the three years' probation, Probationers be admitted as fully accredited Deaconesses of the Church at a special Service of Dedication, to be arranged by the President of the Conference or his Deputy.
7. That the Ministers of our Church be urged to encourage by all means in their power suitable young women to avail themselves of the training offered by the Connexional Deaconess House, and that no Circuit should seek the appointment of a Deaconess without first ascertaining whether a trained agent be available.

8. The Constitutional Laws (see Minutes, 1910, pp. 88-89) were reaffirmed, with the exception of Clause 9, which is to read as follows: "The year begins the third week in January, and closes the third week in December. There shall be five days' vacation at Easter, and three weeks in July."
9. That the special recommendations of the Committee be referred back to the Deaconess Committee for further consideration and to report through the Synods to the Conference.

QUESTION XLIV.—What are the Resolutions of the Conference Regarding the Connexional Orphanage?

A.—THE NORTH ISLAND ORPHANAGE.

(Mount Albert, Auckland.)

For Balance-sheet, see Appendix 24.

Report for Year 1915.

The Committee of the North Island Methodist Orphanage have much pleasure in presenting their second annual report to the Synods.

At the present time there are twenty-eight children in residence (eighteen girls and ten boys).

Careful consideration has been exercised in dealing with every application for admission, and whilst several have for various reasons been declined, twelve children have been admitted during the year.

Five have been removed by friends, and one, a boy of four years, has been legally adopted, and has been fortunate in getting into a good Methodist home.

The health of the children has been generally good, and it is cheering to note that the Matron reports a manifest improvement, moral and physical, in most of her charges.

Too much cannot be said in appreciation of the capable management, tact and kindness of the Matron (Mrs Blight), ably assisted by her husband (Rev. J. Blight) and their daughter, and of the "Home" atmosphere which is evident to visitors.

The grounds have been considerably improved, and the offer by Mr. A. C. Caughey, to lease an adjoining block of over two acres at peppercorn rent, with a purchasing clause at a low figure, will, if accepted, extend the area of the property to nearly five acres. Owing to the extension of the tramways system, the value of the land has been greatly increased, and the Church is to be congratulated on the possession of such a fine property.

Thanks are due to the Ladies' Committee for their efficient and devoted co-operation in promoting the welfare of the Home.

Mr. Wm. Winstone and Mr. P. Collins, of Mount Albert, have each given a cow. For these valuable gifts we express our cordial thanks.

We have been fortunate in securing the services of Dr Leslie Thompson, F.R.C.S.E., as honorary medical officer, and the Committee desire to place on record its gratitude and thanks to him, and to Mr. F. Brown, for his service as honorary dentist.

The Committee gratefully acknowledge the response made to their last Christmas appeal, and trust that the interest will be sustained. Their sincere thanks are also accorded the many friends who have shown practical interest in the Home, for many and varied gifts, and to those who have contributed to the funds during the year.

C. H. LAWS, Chairman.

WM. ASTLEY, Hon. Secretary.

B.—THE SOUTH ISLAND ORPHANAGE.

(Papanui, Christchurch.)

For Balance-sheet, see Appendix 25.

Report for 1915.

In presenting the second annual report we desire to express our appreciation of the success attending the work of this Institution. We are pleased to report the sustained health of Sister Mabel, as Matron in charge of the Home, and to note that after a year's strenuous work she appears well and vigorous.

The Committee has agreed on the policy of employing Deaconesses in connection with the staff, consequently Sister May took up duty in the Institution at the commencement of the connexional year, thus making the whole staff Deaconesses.

We are sorry to report that during the year Sister Dora was compelled, through ill-health, to ask for extended leave of absence. We sincerely hope the rest and change will, in due course, restore her fully to health again.

We are able to report that the number of children has been increased this year, making the present total eighteen, with every prospect of further additions in the near future. We have received a number of applications, but for various reasons the Committee declined these, regarding them unsuitable cases for the Home.

The health of the children has been very good, in fact, can be pronounced excellent, while their conduct has been of a very satisfactory character.

Further improvements have been made during the present year, both in the Home and the grounds. These have very materially added to the comfort and efficiency of the work of the Home, and the whole Church is to be congratulated in the possession of such a splendid property.

The Ladies' Committee has been busy during the year, their help being of a very valuable character, and very much appreciated by the Matron and her staff.

Sister Isabel has been very successful in the prosecution of her work as canvasser for the Orphanage during several months past, and we desire to publicly express our appreciation of her splendid efforts.

The report of the Treasurer is of a highly satisfactory nature, as the annual balance-sheet, which will be presented to Conference, will show.

The Government Inspector has lately visited the Home, and his report, just to hand, speaks in high praise of the Institution and the staff. The following paragraphs are taken from his report:—

"The Institution throughout was beautifully clean and airy. It is in every respect a model of cleanliness and neatness—an excellent Home."

"All the children were clean, healthy-looking and happy, and all were comfortably and neatly clad. The Institution is a credit to the Trustees and to Sister Mabel, who has the management of it."

In conclusion the Committee desire to thank the many friends who have contributed so liberally to the funds of the Institution, also the many annual subscribers and the various members of the Young Women's Bible Class who have so willingly assisted the staff of the Institution.

W. A. SINCLAIR, Chairman.

T. W. VEALIE, Secretary.

QUESTION XLVIII.—What are the Resolutions of the Conference on Matters Previously Remitted to Synods or Committees for Report?**A.—THE FIVE YEARS' TERM.**

Resolutions of Conference, 1915, Minutes, p. 110.

That as doubt has arisen regarding the validity of the legislation providing for the granting of an extension of the term of appointments to Circuits by 55 per cent., unless the same is remitted to the Synods, and confirmed by the succeeding Conference, it is hereby resolved that the resolution providing for 55 per cent., instead of 75 per cent., be remitted to the forthcoming Synods for report to next Conference.

All the Synods approved of the substitution of 55 per cent. for 75 per cent. The Conference, by a vote of 148 to 3, confirmed the substitution of 55 per cent for 75 per cent.

B. CONNEXIONAL OFFICERS.

Resolution of Conference, 1915, Minutes, p. 117.

That a Committee sit during the year to consider all matters relating to Departmental Officers and Connexional Offices; the Committee to consist of the Chairmen of the Auckland, Wellington, North Canterbury and Otago Districts, with Messrs. J. Veale, C. M. Luke, G. J. Smith and E. Rosevear. Convener: Colonel G. J. Smith.

REPORT OF COMMITTEE ON CONNEXIONAL OFFICES.

The last Conference appointed a special Committee to sit during the year to consider all matters relating to Departmental Officers and Connexional Offices.

The Committee met in Wellington on September 14th, the president being in the chair. Two of the members of the Committee were unable to attend, including the convener, Colonel G. J. Smith.

The whole question of Departmental Offices was brought under review because of the proposal which was before the last Conference to establish a third department and appoint thereto a Foreign Mission Secretary. It was thought it might be possible by re-arrangement or amalgamation of offices, to avoid the expense involved in the creation of a third department in the Church.

A report prepared by the Rev. T. G. Brooke, and endorsed by the Home Mission Executive, was read, dealing with the duties and work of the Home Mission Secretary. Similar reports were presented by the Rev. S. Lawry, Connexional Secretary, and the Rev. W. Slade, Foreign Mission Secretary.

The Revs. T. G. Brooke and S. Lawry were in attendance at the meeting of the Committee, and supplemented their reports with further information, also answering a number of questions.

Most careful consideration was given to the proposal to amalgamate the offices of Connexional Secretary and Home Mission Secretary. It was found, however, that the duties of these offices were of such a character as to make this proposal impracticable, if the efficiency of the work is to be maintained. Neither did the proposal, to have one Missionary Secretary working in the interests of both Home and Foreign Missions, find favour with the Committee.

The following are the recommendations of the Committee:—

1.—HOME MISSION ORGANISING SECRETARY.

1. That the office of Organising Secretary for Home Mission be continued.
2. That the title of Organising Secretary be altered to that of General Secretary.

2.—CONNEXIONAL SECRETARY.

1. That the office of Connexional Secretary be continued as at present.
2. That in the opinion of this Committee the contribution from the Contingent Fund (£170 for 1915) to this office should cease at the earliest possible date, with a view to the office being maintained en-

tirely from the funds administered therefrom; and that the Connexional Secretary's Committee be requested to consider the matter and report to the Conference.

3. That the Committee consider the advisability of a more adequate scale of charges being introduced in connection with the work of the Authorised Representative.

4. That the Connexional Secretary undertake the missionary deputation work of at least one district each year.

5. That the Connexional Secretary cease to be a corresponding member of the Home Mission Executive.

FOREIGN MISSIONARY SECRETARY.

In view of the character of the report of the Special Foreign Missionary Committee, with reference to a separate mission field for New Zealand, this Committee has no recommendation to make with regard to the office of Foreign Missionary Secretary.

W. A. SINCLAIR, Secretary of Conference.

The following resolutions were adopted:—

I.—HOME MISSION ORGANISING SECRETARY.

1. That the office of Organising Secretary for Home Missions be continued.
2. That the title of Organising Secretary be altered to that of General Secretary.

II.—CONNEXIONAL SECRETARY.

1. That the office of Connexional Secretary be continued as at present.

That the rule requiring that two Laymen from the Taranaki-Wanganui District be appointed as members of the Home Mission Executive be rescinded, and that the Taranaki-Wanganui Synod be given power to elect a European Lay Representative for the Superintendent of the West Coast Maori Mission, on the nomination of the District Home Mission Advisory Committee, provided that such representative must be a member of the Church within the bounds of the Taranaki-Wanganui District

(Minutes, 1915, p. 73.)

J. DUKES, Convener.

EXTENDED APPOINTMENTS.

Every proposal to make an appointment beyond five (5) years shall be regarded as a special case. A written statement of reasons, signed by the Circuit Stewards shall be presented to Conference, and the Conference shall vote on each case, and the Stationing Committee shall not be permitted to station any Minister for more than five (5) years unless the proposal that it be regarded as a special case be carried by 55 per cent. of those present and voting.

1. An application by memorial from Wellington (Taranaki Street) Circuit Quarterly Meeting, re the appointment of the Rev. J. G. Chapman for a sixth year was received. It was declared a special case by 143 votes to 3.
- 2 A similar application from the Papanui Circuit, re the appointment of the Rev. A. Peters for a sixth year, was received. It was declared a special case by 131 votes to 4.

REPORT OF COMMISSION ON ANDERSON'S BAY CHURCH TRUST.

The Commission met early in the year, taking advantage of the Connexional Secretary's presence in Dunedin, and went exhaustively into the position of the Trust and the need for the Church in that locality. The majority felt that it was bad policy to bolster up a cause so close to St. Kilda Church. Finally the following resolution was carried, "That this Commission recommends the trustees to look into a reported offer of £620 for the site and the buildings—less windows, pulpit, seats, and organ—and if the offer be acceptable to the trustees we recommend it to the favourable consideration of the C.B. and L.F. Committee." As the trustees favoured the offer, sought and obtained consent of the Committee, and effected the sale, it was not necessary for the Commission to meet again, but the following facts should perhaps be stated for information. The Commission in making the recommendation recognised that practically no provision was being made to meet the two amounts owing to Connexional Funds, viz.: £140 to the ex-Primitive Fire Insurance Fund, and £55 to the Loan Fund, plus a small accumulation of interest. The C.B. and L.F. Committee consented to the sale on condition that these liabilities were met within a reasonable period. The Trustees did their utmost in the matter, and £50 was raised at Dundas Street, and £25 at St. Kilda to assist in making a satisfactory settlement. The mortgage,

£700, has been wiped off, and the Trustees hold the windows, seats, and pulpit, etc. (worth about £120) for sale. The proceeds will be devoted to meeting the liabilities to Church Funds mentioned above.

A. J. SEAMER,

Convener.

The report of the Commission was adopted by the Conference.

QUESTION XLIX.—Who are the Members of the Committee of Privileges?

1. The President, Vice-president, and Secretary of Conference, the Connexional Secretary, the Ministers of the Wellington, Johnsonville, Hutt and Petone Circuits, Rev. H. Bull; Messrs. T. Buddle, F.
