### O HELP US MOST LOVING AND LIFE-GIVING GOD

Tune: SENSITIVITY

Melody: William L. (Bill) Wallace

Harmony: Barry Brinson

1. O help us, most loving and life-giving God,  
Be strong while avoiding misusing our power,  
Be humble without undermining self-worth  
Embracing Christ's lifestyle each day and each hour.
2. O may we be caring while speaking the truth,  
Articulate clearly without self-conceit,  
Gain knowledge without making arrogant claims,  
Let wonder's soft healing cast out all deceit.
3. O free us from feeling a victim of pain;  
May love bring a freedom from selfish desires,  
Secure without focusing only on needs,  
Contained but not cut-off from all other fires.
4. O help us forgive with no thought of revenge;  
Free all of our thinking from cynical ways;  
Release our devotion from all pompous airs;  
Fill all of our living with thanks and with praise.
