

Prayer / Compassion

I WILL TALK TO MY HEART

Tune: STILLNESS

Barry Brinson

1. I will talk to my heart in the stillness,
I will talk to my heart when I pray,
I will let go of all my resentment
Till compassion is my inner Way.
CHORUS: Trust the stillness,
Trust the oneness,
Trust the Way of inner prayer;
Trust the stillness,
Trust the oneness,
Trust the life of God we share.

2. I will watch all my thoughts in the stillness,
I will watch all my thoughts when I pray,
I will watch all the stream of my thinking
Till compassion is my inner Way.
CHORUS

3. I will dwell in the space of my oneness,
I will dwell in that space when I pray,
I will let go of all my divisions
Till compassion is my inner Way.
CHORUS
