

## Inclusiveness

### NO OUTCASTS WERE CONDEMNED BY CHRIST

Tune: LYTTELTON

Melody: William L. (Bill) Wallace

Harmony: Barry Brinson

1. No outcasts were condemned by Christ (1)  
Instead he shared their party ways  
But on self-righteous people's heads (2)  
He heaped his fire and not his praise.
2. Rejection, Jesus clearly saw, (3)  
Can undermine our self esteem;  
Acceptance on the other hand  
Gives strength to live empowerment's dream.
3. When all our judging fades away  
Accepting love grows in our hearts  
Till God is seen in others' lives  
And grace replaces verbal darts.
4. Inclusive love can offer all  
A multitude of ways to be;  
A diverse spectrum which enfolds  
The many ways God sets us free.
