7. Through the weeping that brings health, 8. In the linking with the past, 9. In our joining life's great dance,
 Through the vision that inspires, In the presence of the dead, With God's lightness and God's fun,
 We celebrate new life We celebrate new life We celebrate new life
 And live the Easter faith. And live the Easter faith. And live the Easter faith.

10. In the passion of Christ's love, 11. In Christ's rising from the dead,
 In the stillness of Christ's peace, In his bursting from the tomb,
 We celebrate new life We celebrate new life
 And live the Easter faith. And live the Easter faith.
