

**Easter / Transformation
THERE SHALL BE LIFE AND LOVE**

**Tune: TARANAKI
Judith Thornley**

- 1. There shall be life and love,
There shall be joy and fun,
God's beauty shall unfold,
God's justice shall be done
And the cross shall be the sign
Of the death that brings new birth,
Yes the tomb shall host the life
That links us all to Earth.**

- 2. There shall be tender care
Healing the wounded soil,
There shall be rainbow peace
Bringing us rest from toil,
For the cross shall be the sign
Of the death that brings new birth
And compassion free the life
That greens the face of Earth.**

- 3. Love shall encircle all
Drawing us ever on,
Sap shall arise within
Herald of Spring's new dawn,
For the cross shall be the sign
Of the death that brings new birth
And this Earth provide the womb
That gives all life its worth.**
