### O THREEFOLD GOD OF TENDER UNITY

Tune: SINGULARITY

Melody: William L. (Bill) Wallace

Harmony: Barry Brinson

1. O threefold God of tender unity,  
Life's great unknown that binds and sets us free:  
Felt in our loving, greater than our thought,  
You are the mystery found, the mystery sought.
2. O blaze of radiance, source of light that blinds,  
Fierce burning fire in clear prophetic minds,  
You live in mystery, yet within us dwell;  
Life springs from you as from a living well.
3. In every making, each creative dream,  
And in the flow of life's great healing stream,  
When love is born or people reconciled,  
We share your life, O Parent, Spirit, Child.
4. Most loving Parent, Child of joy and pains,  
Spirit creating, life-force that sustains,  
Tissue and bone are touches of your hand,  
Your face we see in water, air and land.
5. O threefold God of tender unity,  
Life's great unknown that binds and sets us free:  
Felt in our loving, greater than our thought,  
You are the mystery found, the mystery sought.
