

Sayings of Jesus

THE RIGHT TIME HAS COME

(John 4/19-24)

Tune: SPIRIT AND TRUTH

Melody: William L. (Bill) Wallace

Harmony: Barry Brinson

1. "The right time has come", Jesus said,
"To worship God everywhere,
The presence of God knows no bounds
For those whose minds are aware".
2. When Spirit and truth dwell within
We burn with the Spirit's bright fire
Until we replace lesser things
With God's most holy desire.
3. True worship is food, food for all;
Rejection destroys the feast
Until all the food tastes like bread
The baker made without yeast.
4. As pilgrims who sail wonder's sea
We honour the many ways
The three-fold God helps us all
To fill our journey with praise.

Alternative Tune: RIGHT TIME.
