

What Does Our God Require of Us? 37

Unison

1 What does our God re - quire of us but to do
2 What does the Earth re - quire of us but to share
3 What do the peo - ple seek with us but to gain
4 Come let us sing the song of God as we seek

just - ly, love mer - cy, and hum - bly walk with God.
one - ness, give nur - ture, and rev - erence all of life.
jus - tice, share car - ing, and be at one with Earth.
jus - tice, find still - ness, and trea - sure Earth with God.

Notes

The word humility comes from humus, the earth. To walk humbly is to know ones value as a part of the interwoven fabric of nature created by God.

The supreme act of showing mercy to oneself is allowing oneself to move through the darkness of guilt, fear, destruction, and loneliness to the deep point of stillness within. This stillness combined with the pursuit of justice is the source of all peace and allows us to pursue justice, peace, and the integrity of creation.
