JESUS IN A COWSHED

Tune: COWSHED

Melody: William L (Bill) Wallace

Harmony: Wallace Woodley

1. Jesus in a cow shed,
Birth cries mixed with moos.
Farmers in their gumboots
Informed by money news.
Wise men now predicting
Patterns, markets choose.
2. Where did magic go?
Who chased it far away
Replacing wonder
With all that's dull and gray?
Who changed the silence
To endless noisy day?
3. Reason silently
Made changes to our awe
Till our spirit's life
Put money at its core.
May this Christmas time
Free us from greed for more.
